Meat City & Other Stories Jason M. Tucker, 2014-05-01 WELCOME TO MEAT CITY Take a trip along the arterial highway and make a left at the last exit to enter Meat City where all manner of nasty things are clamoring to greet you Granger knows what it's like to kill a man It's an assassin's job to know death When the corpse of Granger's latest victim staggers to his feet though all bets are off in Meat City Christian has searched for purpose his entire life Miserable relationships and false religions were all part of the journey But he might find just what he needs hidden in tunnels beneath the City of a Million Gods A pale pleading face of a young boy stares at Kari from the dilapidated corpse of a house next door She knows what it's like to need someone and she's determined to help The Patchwork Boy It's been decades since the dead rose up and dragged the world kicking screaming and bleeding into hell Only a few humans The Pale Riders still venture to the outlands In Ballad of the Pale Riders a legendary rider teaches a rookie what it means to be humanity's last hope These and thirteen more slices of horror await you on the raw and bloodied streets Enjoy your visit **REvolutionary** James R. Cummings, 2021-06-30 REvolutionary By James R Cummings For centuries The Predarian Empire has built its domain on the power of genetic engineering An army of genetically enhanced soldiers each engineered for a specific task crushing its opposition Their goal to build a superior society Their enemy imperfect humanity Humans live on the fringes of their society waiting as lambs for the slaughter hoping to escape to the freedom of the Alliance planets When a bomb goes off at the university on the lowly Predarian colony A13 the scent of rebellion fills the air She's a noble running from her mysterious past He's a soldier trapped in the cogs for the Predarian war machine Together they may find what they seek But the wheel of fate revolves and a terrible Leviathan waits in the darkness This a story of fate and redemption love and despair and the darkness that sleeps in the heart of humanity **The Philosophy of the Upanishads and Ancient Indian Metaphysics** Archibald Edward Gough, 1882 **Jesus and Purity Halakhah** Thomas Kazen, 2021-12-03 This study traces Jesus attitude to impurity within the historical context at the end of the Second Temple period when practices of ritual purity came to play an increasing role in Jewish society and an expansionist trend gained in influence and support The traditional focus on sayings material and criteria of authenticity in historical Jesus research is modified narrative traditions with implicit purity issues are appealed to and extra canonical traditions are included The main areas examined are the most important fathers of impurity leprosy skin diseases genital discharges and corpse contamination Jesus is found to have acted in ways that could have been understood by some of his contemporaries as indifference to these types of impurity His behaviour is shown on several points to clash with current purity halakhah and dominant expansionist ideals In an attempt to interpret his actions within the Jewish context and culture of the Second Temple period three explanatory models are provided Jesus attitude can be seen as part of a moral trajectory in Judaism It can be understood as a response to a regional Galilean dilemma It can be viewed in a power perspective as an expression of Jesus eschatological struggle against demonic evil The result is that Jesus

may be understood as operating within the purity paradigm of his time yet seemingly indifferent in the eyes of some pushing it to the breaking point Such a reconstruction makes subsequent developments intelligible in which various Christian currents drew conflicting conclusions Those looking to Jesus behaviour for some sort of guidance today may perhaps find contemporary analogies

The Philosophy of the Upanishads and Ancient Indian Metaphysics

Archibald Edward Gough, 2013-11-05 First Published in 2000 This is volume IX of 10 in the Oriental Series based on India and its language and literature and is concerned with a collection of the philosophy of the Upanishads and the ancient Indian metaphysics Those interested in the general history of philosophy will find in this book an account of a very early attempt on the part of thinkers of a rude age and race to form a cosmological theory The real movement of philosophic thought begins it is true not in India but in Ionia but some degree of interest may still be expected to attach to the procedure of the ancient Indian cosmologists The Upanishads are so many songs before sunrise spontaneous effusions of awakening reflection half

poetical half metaphysical that precede the conscious and methodical labour of the long succession of thinkers to construct a thoroughly intelligible conception of the sum of things For the general reader then these pages may supply in detail and in the terms of the Sanskrit texts themselves a treatment of the topics slightly sketched in the third chapter of Archer Butler's first series of Lectures on the History of Ancient Philosophy Buckets of Diamonds Clifford D. Simak, 2023-06-13 This collection of stories from the Hugo Award winning science fiction author ranges from alien planets to the more peculiar corners of the American landscape A pioneering voice in twentieth century science fiction Clifford D Simak earned his place alongside such luminaries as Isaac Asimov and Ray Bradbury While some of his stories imagined interplanetary space travel many others depicted strange events in otherwise ordinary American towns in what some readers would come to think of as Simak Country This volume contains examples of each In *Horrible Example* a small town drunk reveals the extraordinary but essential role he plays in the community that shuns him A space crew attempts to find substances on Jupiter that might help cure ailing humans back on Earth in *Clerical Error* And in the title story a seemingly miraculous pile of treasure is scorned by a mysterious man of God Each story includes an introduction by David W Wixon literary executor of the Clifford D Simak estate and editor of this ebook *Everglade: Rise of the Witch* Kitty Black, 2025-05-27 Everglade loves to hate witches And as the daughter of the last witch Wren Westerly is the most hated person in town She can only imagine what would happen if the townspeople found out she could actually see magic even if she has no idea how to use it But when magic leads Wren to an enchanted necklace and reveals her secret it's not just Everglade chasing her It's the Eater a terrifying creature who is determined to drain all magic from the world and who really really wants that necklace Leaving Everglade with nothing but the necklace two accidental travel companions and directions from a goat Wren finds herself in a new and infinitely more magical world And she's the only one who can save it from the Eater That is if she can figure out magic No pressure Welcome to the world of Everglade where the truth about witches is tangled with lies and being yourself is the biggest risk of all
