The Economist Guide to Financial Markets (6th Ed)

The Economist, Marc Levinson, 2014-01-28 Extensively revised and updated following the fallout from the global financial crisis the 6th edition of this highly regarded book brings the reader right up to speed with the latest financial market developments and provides a clear and incisive guide to a complex world that even those who work in it often find hard to understand In chapters on the markets that deal with money foreign exchange equities bonds commodities financial futures options and other derivatives the book examines why these markets exist how they work and who trades in them and gives a run down of the factors that affect prices and rates Business history is littered with disasters that occurred because people involved their firms with financial instruments they didn't properly understand If they had had this book they might have avoided their mistakes For anyone wishing to understand financial markets there is no better guide

Marketing for

Growth The Economist, Iain Ellwood, 2014-01-28 The Economist Marketing for Growth is a guide to how marketing can and should become a business's most important driver of growth Marketers play a crucial role in generating revenue and they can play an equally important role in how revenues translate into profit They can help a company achieve growth by being smarter or more efficient than its competitors and do so in a sustainable way Marketers have their ear to the ground and therefore are often the first to pick up on changing customer needs and behavior and the forces at play in markets This informs the development and improvement of products processes and standard of service The book explores how to identify the most valuable customers the most effective ways to drive revenue growth and the best ways to improve profitability It

combines insight and practical guidance and is supported by a wealth of hard data and anecdotal evidence from a wide range of business in Britain America Europe and Asia including Amazon China Mobile Dove Goldman Sachs Haier ING Direct Lenovo Mini Procter Gamble Red Bull Target Twitter Virgin and Zara Marketing Handbook Michael J.
