The Ecstatic World Of John Cowper Powys:

The Ecstatic World of John Cowper Powys Harald William Fawcner, 1986 **Anarchist Seeds beneath the Snow** David Goodway, 2011-12-12 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In *Anarchist Seeds beneath the Snow* David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq this challenging volume will energize leftist movements throughout the world

John Cowper Powys and the Afterlife of Romanticism Kim Wheatley, 2025-01-09 This study bridges the chronological divide between the Romantic era and the first six decades of the 20th century interpreting John Cowper Powys 1872-1963 as a major under recognized contributor to the cultural transmission of Romanticism Kim Wheatley's *John Cowper Powys and the Afterlife of Romanticism* uncovers the surprising extent to which this multi faceted Modernist era author reworked key concerns of the Romantic poets Wheatley shows how Powys's prose rewritings of Romantic poetry contribute to the story of the posthumous life of Romanticism especially its environmental legacy In particular the book expands our understanding of the early 20th century reception of William Wordsworth and John Keats Wheatley argues that Powys anticipates and presciently interrogates recent revisionary critical approaches to the Romantics primarily materialist eco critical approaches and therefore invites a fresh environmentalist criticism open to the transcendental and the supernatural Chapters range across Powys's extensive oeuvre investigating his treatment of Wordsworth and Keats in his works of fiction autobiographical writings popular philosophical books and essays of literary appreciation including his *Autobiography* 1934 his four major Wessex novels *Wolf Solent* 1929 *A Glastonbury Romance* 1932 *Weymouth Sands* 1934 and *Maiden Castle* 1936 and his later Welsh historical novels *Owen Glendower* 1941 and *Porius* 1951 Wheatley demonstrates how Powys uniquely combines sense based nature worship the leveling of animate and inanimate and care for disabled human beings along with mystical and magical themes into an all encompassing ecological vision more capacious than any imagined by the Romantics themselves
