The Edge Of Pleasure:

The Edge of Pleasure Philippa Stockley, 2012-04-16 Gilver Memmer a successful and handsome artist was always lucky His artistic skills were spotted at an early age and his good looks made him popular with the girls He studied at Oxford where he was admired by teachers and students alike and by the age of twenty eight he was rich famous and could have any woman he wanted His life was all glamour and extravagant parties and even his exhibition flop in New York could not shake Gilver s confidence Having been fortunate and popular all his life Gilvert rarely paid attention to his financial affairs a decade later much to his great surprise he finds himself out of money with nowhere live On his forty second birthday Gilver Memmer woke up and realised he had slept for over ten years He does not know the name of the girl in his bed he is broke and not many people remember that he used to be a celebrated painter He is ready to change his life and redeem mistakes of his youth but will this egocentric artist and dissolute womaniser be able to change Will his friends stick around when he has no money and his fame is forgotten Will he find a love that will conquer his promiscuous habits The Edge of Pleasure is Phillipa Stockley s debut novel and was first published in 2002 Stockley a Londoner and painter herself sets her intriguing change of fortune and change of life plot in the capital over the eighties and nineties Reminiscent of a young Beryl Bainbridge or Muriel Spark The Edge of Pleasure is a stylish first novel from a wonderful writing talent **Pleasure's Edge** Eden Bradley, Eve Berlin, 2010-11-02 How do you know For beautiful novelist Dylan Ivory being in control is everything Then she meets the man who is everything she is not and everything she wants How far you can go Alec Walker is a writer of dark psychological thrillers and a man who lives for thrills From motorcycles to snowboards to swimming with sharks there s no end to his lust for excitement His tastes extend into the bedroom as well where he lets no rules bind his desires The only thing he truly fears is love and allowing someone else to really know him Unless you go over the edge While researching a book on sexual extremes Dylan interviews Alec and longs to taste the temptation he offers But he s a self proclaimed dominant and she refuses to surrender control Slowly and seductively though Alec shows her that by letting go and submitting to his every desire she can experience ultimate pleasure But to keep the woman who for the first time brings him to his knees can Alec take the ultimate risk and surrender his heart **THE EDGE OF EVERYTHING** Titu Taye, 2023-09-16 This book contains everything you need to know about life science technology society and religion **The Edge of Chaos** Pamela McCorduck, 2011-07-25 An internationally renowned scientist who fears she s taken one scientific risk too many a distinguished archaeologist who s haunted by taking too few a world famous financier who s lost everything except his money an art gallery owner with a heartbreaking burden a fugitive filmmaker the head of a battered women s shelter these are some of the people who find themselves at the end of the Old Santa Fe Trail at the end of the 20th century Chance has brought them from all over to beautiful legendary Santa Fe New Mexico where they shape illuminate and even deform each other s lives unexpectedly as if on the very edge of chaos This edge of chaos a scientific term for that slender territory between

frozen predictability and hopeless disorder is a dangerously unstable place Learning and change can only happen there but always under threat of sliding back to frozen order or over into the chaotic abyss And Santa Fe s sons and daughters even now keep a precarious foothold on The Edge of Chaos bringing their own pasts and their city s rich history into an uncertain but exhilarating future PAMELA McCORDUCK has published eight other books translated into most of the major European and Asian languages She has written for magazines ranging from Redbook and Cosmopolitan to Daedalus and was a contributing editor to Wired She was a board member and officer of the American PEN Center in New York the authors organization and an officer of the New Mexico Committee of the National Museum of Women in the Arts She has appeared on many television shows including PBS s News Hour and the CBS Evening News CNN based a two part documentary on her book The Futures of Women

The Edge of Life Christopher Kaczor, 2005-08-22 The Edge of Life Human Dignity and Contemporary Bioethics treats a number of distinct moral questions and finds their answer in the dignity of the person both as an agent and as a patient in the sense of the recipient of action Characteristically one s view of the human being ultimately shapes one s outlook on these matters This book addresses questions that divide a culture of life from a culture of death as well as a number of questions debated within the Catholic tradition itself The Edge of Life offers a critique of the new bio ethic represented by such notable authors as Peter Singer it also attempts to shore up some of the difficulties leveled by critics against the traditional ethic as well as to answer some questions disputed by those within the tradition This book does not treat the basic principles of morality but rather many of their applications and suppositions For an account of contemporary debates within the Catholic tradition on these matters see Kaczor 2002 Rather The Edge of Life seeks to address a number of disputed contemporary questions touching upon human dignity at what has been called the margins of life The first section of the book treats the dignity of the human person as recipient of action and as agent Chapter two examines various accounts of when a human being becomes a person

Gaming at the Edge Adrienne Shaw, 2015-01-01 Video games have long been seen as the exclusive territory of young heterosexual white males In a media landscape dominated by such gamers players who do not fit this mold including women people of color and LGBT people are often brutalized in forums and in public channels in online play Discussion of representation of such groups in games has frequently been limited and cursory In contrast Gaming at the Edge builds on feminist queer and postcolonial theories of identity and draws on qualitative audience research methods to make sense of how representation comes to matter In Gaming at the Edge Adrienne Shaw argues that video game players experience race gender and sexuality concurrently She asks How do players identify with characters How do they separate identification and interactivity What is the role of fantasy in representation What is the importance of understanding market logic In addressing these questions Shaw reveals how representation comes to matter to participants and offers a perceptive consideration of the high stakes in politics of representation debates Putting forth a framework for talking about representation difference and diversity in an era in which

user generated content individualized media consumption and the blurring of producer consumer roles has lessened the utility of traditional models of media representation analysis Shaw finds new insight on the edge of media consumption with the invisible marginalized gamers who are surprising in both their numbers and their influence in mainstream gamer culture

Playing on the Edge Staci Newmahr,2024-06-06 Representations of consensual sadomasochism range from the dark seedy undergrounds of crime thrillers to the fetishized pornographic images of sitcoms and erotica In this pathbreaking book ethnographer Staci Newmahr delves into the social space of a public pansexual SM community to understand sadomasochism from the inside out Based on four years of in depth and immersive participant observation she juxtaposes her experiences in the field with the life stories of community members providing a richly detailed portrait of SM as a social space in which experiences of violence intersect with experiences of the erotic She shows that SM is a recreational and deeply gendered risk taking endeavor through which participants negotiate boundaries between chaos and order Playing on the Edge challenges our assumptions about sadomasochism sexuality eroticism and emotional experience exploring what we mean by intimacy and how exactly we achieve it
