Electoral Politics in Sri Lanka S. Keethaponcalan, 2022-07-21 This volume examines and analyses electoral politics in Sri Lanka through the theoretical framework of manipulation The following questions guided the study how do political actors manipulate elections and what are the salient features of electoral politics in Sri Lanka Primary and secondary data formed the basis of the analysis examining eight presidential elections The research findings indicated that Sri Lankan governments political parties and political leaders have taken advantage of six types of electoral manipulation including constitutional tinkering field fixing time fixing vote suppression process manipulation and resource manipulation Through a close examination of eight presidential elections research carried out for the volume found that elections are often associated with violence presidential elections are mainly a majoritarian affair in which minority communities play only a marginal role there is a significant gender imbalance as women s participation in the electoral process is very limited despite the presence of a large number of candidates contesting the election it always remains a two way race and amid extensive manipulation and other problems voter participation tends to be high This volume will be a valuable resource for students academics and researchers who focus on democracy good governance electoral studies and South Asian politics and history and will enhance the conceptual foundation of democracy advocates and activists

Encyclopedia of American Parties, Campaigns, and Elections William C. Binning, Larry E. Esterly, Paul A. Sracic, 1999-07-30 In this comprehensive guide to the language of contemporary American politics Binning offers clear descriptions of terms such as soft money gerrymandering and blanket primary Examples are frequently offered to help clarify definitions Particular attention is given to the ever changing organizational structure of parties and contemporary electoral systems In addition to defining political terms and systems however this encyclopedia explains campaign finance reform laws and the Voting Rights Act The more significant Supreme Court decisions in these areas are summarized with an eye to giving readers a greater understanding of how these laws have been interpreted and applied This encyclopedia also describes the modern political campaign Highlighted are the role of the media the significance of presidential debates the influence of campaign consultants and the importance types and timing of primaries and caucuses Brief biographies of important political figures such as presidents vice presidents and congressional and party leaders are also included along with a concise summary of every presidential election since 1789

British and American Electoral Politics in the Age of Neoliberalism Gerald Sussman, 2024-09-05 This book employs a political economic approach in

exploring the underlying neoliberal foundations of politics and electioneering in both the United States and the United Kingdom that have widened the divide among voters and over time led to a deep distrust of state institutions including electoral politics and system of political representation Covering the period of 1980 to the present the book provides analysis of how neoliberalism applies to the electoral sphere and draws the connections between the larger forces behind the globalising political economy and the trajectory of the corporate state and the many intersections of US and UK electoral politics with lessons for other wealthy states that follow in similar pathways As such it helps explain a phenomenal parallel pattern of major political upheavals and social dislocations within these two countries Finally it reveals through numerous social indicators that the two leading neoliberal political economic systems are producing depressing results for large sections of their citizenry and a threat to social democracy as the concentration of wealth and well being is largely captured by a minority class of empowered individuals This book will be of key interest to scholars and students of electoral politics political parties political behaviour British politics U S politics and more broadly to readers interested in political economy and comparative politics

Race and Redistricting in the 1990s Bernard Grofman,1998 A portrait of how the 1990s round of redistricting treated the racial and linguistic minorities that had been given special protections by the Voting Rights Act of 1965 primarily African Americans but also Native Americans Asian Americans and those of Spanish heritage Throughout the volume the primary focus is on the practical politics of redistricting and its consequences for racial representation Almost all the authors have been directly involved in the 1990s redistricting process either as a legislator a member of the Voting Rights Section of the Justice Department a member of a districting commission or most commonly as an expert witness or lawyer in voting rights cases All bring to bear special insights as well as insider knowledge of Congressional and state redistricting

Electoral Politics in Zimbabwe, Vol II Esther Mavengano,Sophia Chirongoma,2023-08-08 Volume two of Electoral Politics in Zimbabwe The 2023 Election and Beyond argues that research into Zimbabwe s politics is multifaceted and topical particularly because for more than two decades now this Southern African state has been dogged by multiple problems including hyperinflation drought escalating poverty levels extremely high unemployment rates and political instabilities The volume s overall goal is to ignite intellectual discussions and practical action towards turning the political wheels that have been in place for decades The first segment examines the interface between gender and electoral politics in Zimbabwe The second part discusses the role of the media in Zimbabwe s electoral politics The third section reflects on the role of traditional leaders and religious discourses in Zimbabwe s electoral politics The book will be a key resource to colleges universities and organisations in Zimbabwe the Southern Africa region and even beyond
