Uchronia Christos A. Djonis,2021-09-09 Accounts of past lost civilizations strange aerial phenomena unexplained encounters and cryptic codes unquestionably continue to tease our minds with their intrigue While many of these puzzles which often are passed down from one generation to another sound so incredible that they appear to be stories of pure fiction from time to time and more often than we realize they turn out to be true UCHRONIA alternative history connects with several such controversial topics and provides facts and clues that could explain some of the most contentious mysteries of our time including Plato s Atlantis Is the Human Genome a real miracle or genetics What is the meaning behind the Nazca Lines Has a Middle Eastern culture managed to visit North America 10 000 years before Christopher Columbus Can the Old Testament of the Holy Bible be a copy of a much older original In 2017 New York City Big Book Awards voted the original edition of UCHRONIA as one of their Distinguished Favorites This UPDATED EXTENDED version is not just an extension or a more in depth analysis of the original work published in 2014 but an opportunity to illustrate how several more scientific events and recent archaeological discoveries now further support many of the earlier conclusions noted in the original edition

Prophetic Visions of the Future Diane Stein,2011-11-09 We all want to know what will happen to the earth and to those who come after us our children and our grandchildren Diane seeking an answer has gone to women visionaries and seers women who channel the future and those who bring it to life in their writings This is the time Diane avers for women to define what needs to be changed and begin to do the work By women s power of thought and creation we together can make a better world

Historical Earthquakes, Tsunamis and Archaeology in the Iberian Peninsula Manuel Álvarez-Martí-Aguilar,Francisco Machuca Prieto,2022-06-22 Research on historical earthquakes and tsunamis in the Iberian Peninsula has made great strides in recent years from diverse scientific fields ranging from geology to archaeology In addition to the famous earthquake and tsunami of 1755 which intensely affected the peninsula researchers are conducting a growing number of surveys and case studies on seismic episodes and extreme wave events of possible tsunamigenic origin in Portugal and Spain during the ancient medieval and modern eras However the development of these studies has suffered due to a certain lack of communication among the different fields of research which are focused on their own methodologies and interests The aim of this book is to promote interdisciplinary dialogue by linking the results of the most recent research into historical earthquakes and tsunamis in Iberia from the fields of geology history and archaeology The volume which devotes special attention to tsunamis and to events that occurred in the Iberian Peninsula before 1755 offers synthetic insights updates and case studies of maximum interest for knowledge of the historical seismology of Portugal and Spain
