Animal Satire Robert McKay,Susan McHugh,2023-08-22 Animal Satire presents a cultural history of animal satire a critically neglected but persistent presence in the history of cultural production in which animals expose human folly while the strategies of satire expose the folly of human animal relations Highlighting the teeming animal presences across the history of satirical expression from Aristophanes to Twitter with chapters on key works of literature drama film and a plethora of satirical media Animal Satire reveals the rich rhetorical significance of animality in powering the politics of satire from ancient and medieval

through modern and contemporary times More pressingly the book makes the case for the significance of satire for understanding the real world implications of rhetoric about animals in ongoing struggles for justice By gathering both critical and creative examples from representative media forms historical periods and continents this volume aims to enrich scholarship on the history of satire as well as empower creative practitioners with ideas about its practical applications today

Playful Materialities Benjamin Beil, Gundolf S. Freyermuth, Hanns Christian Schmidt, Raven Rusch, 2022-08-01 Game culture and material culture have always been closely linked Analog forms of rule based play ludus would hardly be conceivable without dice cards and game boards In the act of free play paidia children as well as adults transform simple objects into multifaceted toys in an almost magical way Even digital play is suffused with material culture Games are not only mediated by technical interfaces which we access via hardware and tangible peripherals They are also subject to material hybridization paratextual framing and processes of de and re materialization

THE HISTORY of the AFRO-AMERICANS Ivory Simion, 2014-01-25 The author is a simple traveler in time like the rest of us that has a message to give to all who can understand Who the author is and what universities he attend is not important only the message that he has delivered is The content of this book is beyond just passing on knowledge and information to the reader Within the pages of this book the reader will obtain alone with knowledge and information understanding and wisdom The understanding of the message being given and the wisdom to know how and when to apply it to your everyday life The author is you me and the rest of us All of us who is searching for a message that can help us in our relationships in today s world What s important is the message that s being given and if it s being received and understood Then the knowledge can be reviewed to see if it s applicable to apply in our lives in today s society All understanding and wisdom comes from a higher source than ourselves The messenger or author is only a conduit that is unattached to the source of the understanding and wisdom being given and is there only to pass the message alone Alone to all who may find the message helpful in their lives and relationships with each other in the world we live in today Remember the messenger is not important it s the sender who is

21st Century Kaiju Gordon Arnold, 2023-11-30 Once dismissed as a fading genre with little to say to contemporary audiences the giant monster movie roared back to life in the new millennium In one of modern cinema s most surprising turnarounds a wave of 21st century kaiju films has delivered exciting and thought provoking viewing to global audiences In a variety of works that range from action packed CGI spectacles to more personal introspective productions commenting on real world issues of the day the new millennium has witnessed some of the most intriguing films in any genre including movies from such acclaimed directors such as Guillermo del Toro Bong Joon ho and Peter Jackson This book takes a sober multidimensional look at the new class of giant monster movies It examines the making of these films and their sometimes obscure meanings It also covers efforts to reinvent storied kaiju characters from the past including Godzilla and King Kong and to transform the genre with movies such as Cloverfield The Mist Colossal and Pacific Rim that feature all new creatures
