CORBIN Wild Wolf Pack from the world of Gallize Shifters In his late teens Corbin fell for a female wolf shifter who like him was living secretly among humans That mistaken trust cost him years of freedom and left him with a broken wolf Now that he has escaped the Romanian gang leader who bought him he's hiding in a South Carolina wolf shifter pack where he wants to prove his value so he can stay That's why he volunteered for a security contract his pack leader accepted where they will investigate a high value entertainment shifter whose human bodyguards keep dying When Corbin discovers it's the same woman who ruined his life he's happy to do his part in determining if she's an innocent victim or a killer Gifted with a natural ability to sing wolf shifter Eirene lives a dual life on stage performing and covertly helping female shifters running from abusive packs She hides them from dangerous alphas and shifter law enforcement anxious to lock up rogue shifters with no pack alliance If her secret gets out Eirene will be fingered as a criminal and lose her protected celebrity status but she knows what it's like to be a female wolf shifter with no one to depend upon Especially not a man since all of those she's ever known have let her down starting with the young man who stole her heart years ago then disappeared without a word When the third member of a security detail forced on her by her trustee is critically injured following two who died in mysterious ways she catches a familiar scent A wolf shifter from her past the last person she wants to see when she can't juggle a new problem With one bad decision Eirene and Corbin land in the wrong place at the wrong time facing jackal shifters stalking them Could it be shifter law enforcement trying to entrap Eirene or the Romanian leader hunting Corbin They both have secrets to protect and need each other to survive but can they trust again Dive into the new romantic adventure spin off series from the League of Gallize Shifters that will yank on your heart strings with every unexpected twist and pin you to the edge of your seat until the explosive ending Sign me up for this hot new spin off series Goodreads Review
