The Slave of Life Marion D. Hope Parker,Marion Hope Parker,1955 Eight Tragedies of Shakespeare Victor Kiernan,2016-02-15 This book rests on a lifetime s thinking about history It helps us see Shakespeare in a more realistic light Times Literary Supplement The seventeenth century saw the brief flowering of tragic drama across Western Europe And in the plays of William Shakespeare this form of drama found its greatest exponent These Tragedies Kiernan argues represented the artistic expression of a new social and political consciousness which permeated every aspect of life in this period In this book Kiernan sets out to rescue the Tragedies from the reductionist interpretations of mainstream literary criticism by uncovering the wider historical context which shaped Shakespeare s writings Opening with an overview of contemporary England the development of the theatre and a portrait of Shakespeare as a writer Kiernan goes on to provide an in depth analysis of eight of his Tragedies from Julius Caesar to Coriolanus drawing out their contrasts and recurring themes and exploring their attitudes to monarchy war religion philosophy and changing relations between men and women Featuring a new introduction by Terry Eagleton this is an invaluable resource for those looking for a new perspective on Shakespeare s writings King Lear and the Gods William R. Elton,2014-07-15 Many critics hold that Shakespeare s King Lear is primarily a drama of meaningful suffering and redemption within a just universe ruled by providential higher powers William Elton s King Lear and the Gods challenges the validity of this widespread optimistic view Testing the prevailing view against the play s acknowledged sources and analyzing the functions of the double plot the characters and the play s implicit ironies Elton concludes that this standard interpretation constitutes a serious misreading of the tragedy Shakespeare's problem plays William B. Toole,2015-07-24 No detailed description available for Shakespeare s problem plays **From Shakespeare to Obama** J. Hart,2013-12-17 From Shakespeare to Obama discusses language slavery and place from the Portuguese enslavement of African people through slavery in Shakespeare s plays to President Obama s 2012 speech on modern slavery Balancing close reading with context this expansive book offers new insight into questions of otherness rhetoric and stereotyping William Shakespeare: A Critical Study Georg Brandes,2021-01-01 This book was not written

with the Intention of describing Shakespeare s triumphant progress through the world nor of telling the tale of his world wide dominion Its purpose was to declare and prove that Shakespeare is not thirty six plays and a few poems Jumbled together and read pele mele but a man wno felt and thought rejoiced and suffered brooded dreamed and created Far too long has It been the custom to say vv e know nothing about Shakespeare or An octavo page would contain all our knowledge of him Even Swinburne has written of the intangibility of his personality In his works The Shakespeare Newsletter Louis Marder,1955 **Shakespeare Survey** Stanley Wells,2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback
