Dirty Harry's America Joe Street,2018-03-01 Street provides a crucial critical and cultural service by not only studying Eastwood's individual films in sharp detail but also by providing a close and serious analysis of the cultural and historic times of the films. Sam B Girgus author of Clint Eastwood's America By far the most comprehensive sustained and detailed discussion of the Dirty Harry phenomenon. A thorough and engaging account of how a fictitious renegade cop became an enduring icon of the angry conservative backlash that sought to halt 1960s liberalism in its tracks. Nick Heffernan author of Culture Environment and Ecopolitics Clint Eastwood's Dirty Harry became the prototype for a new kind of movie cop an antihero in pursuit of his own vision of justice. The Dirty Harry series helped cement Eastwood and his character Harry Callahan as central figures in 1970s and 1980s Hollywood cinema. In Dirty Harry's America Joe Street argues that the movies shed critical light on the culture and politics of the post 1960s era and locates San Francisco as the symbolic cultural battleground of the time. Across the entire series conservative anger and moral outrage confront elitist liberalism and moral relativism. Paying particular attention to the films' representation of crime family and community sexuality and race Street maintains that through referencing real events and political struggles the films themselves became active participants in the culture wars. Unapologetic carrier of right and might Harry Callahan becomes America's Ur conservative unbending moral incorruptible and most important always right. Long after the series Callahan's legacy remains strong in American political discourse cinema and pop culture and he continues to shape Eastwood's later political and cinematic career. **Single Season Sitcoms of the 1980s** Bob Leszczak,2016-05-31 As the cable TV industry exploded in the 1980s offering viewers dozens of channels an unprecedented number of series were produced. For every successful sitcom The Golden Girls Family Ties Newhart there were flops such as Take Five with George Segal Annie McGuire with Mary Tyler Moore One Big Family with Danny Thomas and Life with Lucy starring Lucille Ball proving that a big name does not a hit show make. Other short lived series were springboards for future stars like Day by Day Julia Louis Dreyfus The Duck Factory Jim Carrey Raising Miranda Bryan Cranston and Square Pegs Sarah Jessica Parker. This book unearths many single season sitcoms of the 80s providing behind the scenes stories from cast members guest stars writers producers and directors. **Video Source Book** Gale Group,1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction. **The Video Source Book** David J. WEINER,1990 **Bush Pilot with a Briefcase** Ronald Keith,2009-12-01 At the age of twenty two Grant McConachie was a bush pilot running his own crazy airline in the Canadian North flying trappers gold miners huskies and fish all over the wilderness. Only sixteen years later he was appointed president of CPR's fledgling airline Canadian Pacific. In Bush Pilot with a Briefcase author Ronald A Keith tells the incredible story of this country's most colourful aviation pioneer. On McConachie's first official commercial flight his passengers were one university professor and

two hundred yellow tailed crows His first business partners were a Maltese princess and a carnival barker He kept his early bush planes and his subsequent career aloft with equal parts luck and sheer seat of the pants skill As chief of Canadian Pacific from 1947 until his death in 1965 McConachie expanded his airline across the globe Everywhere he went his freewheeling high spirits flamboyant style and what one journalist called supersonic salesmanship made him an irresistible force Harry and Wally's Favorite TV Shows Harry Castleman,Walter J. Putnam's Word Book: A Practical Aid in Expressing Ideas Through the Use of an Exact and Varied Vocabulary Louis A. Flemming,2016-08-27 The purpose of this book as conceived by the author is not to attempt to create or to influence usage by pointing out which words should or should not be used nor to explain the meaning of terms but simply to provide in a form convenient for reference and study the words that can be used leaving it to those who consult its pages to determine for themselves with the aid of a dictionary if necessary which words supply the information they are looking for or express most accurately the thoughts in their minds The questions therefore that were constantly in the author s mind while he was preparing the manuscript were not is this word used nor should it be used but is it a word that some one may want to know as a matter of information or to use in giving expression to some thought When the word in question seemed to be one that would be of service it was given a place in the collection to which it belongs Believing the book would be consulted by students and workers in special fields the author incorporated into it many words including some technical terms that might in the case of a work of more restricted usefulness have been omitted It happens frequently that the word which one thinks of first does not express the exact shade of thought one desires to express and some other word of similar meaning is necessary For this reason there is for those who want to write and speak with precision and effectiveness an important use for collections of synonyms Throughout this book synonyms means words that are similar in meaning or which express the same general idea with shades of difference Those who use this work should bear in mind that all words that are classified as synonyms cannot be used interchangeably that there are differences in meaning between them and that before using an unfamiliar word they should ascertain its meaning and usage in a dictionary Antonyms are words that are opposed to another word in meaning The Negro is a Man W.
