Art Julia Pond,2024-09-25 In this study the engaging art created by children s author Margaret Wise Brown receives the critical attention it deserves as a lasting contribution to American children s literature Through analysis of her dozens of titles published during the height of western Modernism this scholarly text shares Brown s importance and impact from the perspective of Brown s work rather than biographically Moving beyond such popular titles as Goodnight Moon and The Runaway Bunny into deeper cuts reveals how Brown s oeuvre bridges multiple disciplines including writing visual art philosophy and music Her projects successfully experiment with artistic collaboration and synesthesia as a natural expression for a child readership while both contributing to and reflecting high Modernism amidst the two World Wars The quality of Brown s writing and the maturity of her themes reveal respect for her child audience and recommend her work to the generations of readers who followed her early death As this book demonstrates Margaret Wise Brown remains one of the truly great authors of children s literature **No Conscience, No Crime** Deborah Crumpton Barkley,2014-06-17 Kathryn

Patton is an energetic strong minded mother of three who is always up for a good mystery While she barely feels part of her marriage and family Kathryn earnestly strives to be a devoted young professional climbing toward partnership at her CPA firm However feelings of despair and ambivalence over leaving her small children each day prevent Kathryn from achieving the career success she desires When a terrible coincidence traps her inside a whirling real life murder mystery plans change and lives are rerouted to unforeseen destinations Years of reading whodunit novels and watching mystery movies has scarcely prepared Kathryn with the requisite skills to single handedly solve the perplexing murderbefore she herself gets convicted of the crime Apparently the small town police chief and his crew are not interested in knowing what really happened to the young murder victim who happens to be a senators daughter The chief seems content as he allows obviously inept employees to frighteningly further force Kathryn toward wrongful conviction Kathryn investigates seemingly endless layers of interconnections until she finally discovers unequivocal criminal corruption In the search for truth Kathryn never waivers but the ultimate conclusion is far too evil for Kathryn to comprehend I'll Close My Eyes (but I Won't be Asleep)

Elisa Adler,2012 Delusion dementia or discourse A daughter insists on the latter and with the threads of her mother s narratives weaves for them a raft of words These conversations unlike anything I d shared with her before shocked me I was glad they happened only when we were alone together I d never even thought these things I heard us say didn t know where they came from But since they seemed to make sense to her I kept inviting her to speak She d say something I d listen say something back we were together in words As if what we said to each other arose not from our own learning or experience

but some underlying chord that included our voices but was bigger spoke through them as if the sound of the ocean were encoded in the sounds of the rain I ll Close My Eyes But I Won t Be Asleep sounds an intimate heartbreaking and sometimes humorous end of life chord in a mother and daughter relationship A compelling memoir I ll Close My Eyes But I Won t Be Asleep is an honest account of what for most of us remains hidden and unheard It will be useful for anyone torn by conflicting desires and demands battered by memory grief and rage and struggling to give care Elisa Adler studied at the University of California Berkeley Mills College and in Bogota Colombia at Centro de Estudios Colombo Americanos She has worked as a newspaper reporter translator interpreter laborer and domestic teaches English and Spanish at colleges in California and Nevada and farms with her daughter and husband in the northern Sierra **Goodbye Earl** Leesa Cross-Smith,2023-07-03

Four women take fate into their own hands in this big hearted story of friendship resilience and revenge on monstrous men from the award winning author of Half Blown Rose Taking inspiration from the infamous empowering song Goodbye Earl follows four best friends through two unforgettable summers fifteen years apart In 2004 Rosemarie Ada Caroline and Kasey are in their final days of high school and on the precipice of all the things teenagers look forward to when anything in life seems possible from falling in love to finding their dream jobs to becoming who they were meant to be In 2019 Kasey has returned to her small Southern hometown of Goldie for the first time since high school and she still hasn t told even her closest friends the truth of what really happened that summer after graduation or what made her leave so abruptly without looking back Now reunited with her friends in Goldie for a wedding she s determined to focus on the simple joy of being together again But when she notices troubling signs that one of them might be in danger she is catapulted back to that fateful summer This time Kasey refuses to let the worst moments of her past define her this time she knows how to protect those she loves at all costs Uplifting sharp edged and unapologetic Goodbye Earl is a funeral for all the Earls out there the abusive men who think they can get away with anything but are wrong and a celebration of enduring sisterhood Includes a Reading Group Guide **Catalog of Copyright Entries** ,1932 **Bridges to Understanding** Linda M.

One of the significant advantages of Sleepy Bunny books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.
