Slinky Slithertail:

Slinky Slithertail Margaret Brownell Lorenzen,2001 Slinky Slithertail is such a stubborn snake He thinks he knows better than everybody else He does not want to listen to the good advice of his friends and family which means he is going to learn things the hard way by getting into big trouble Slinky has too much pride He thinks he is smarter faster and stronger than everybody else This is why he doesn't listen to his friends warnings about Farmer John and the hen house He thinks he is so quick and careful that nothing bad can happen to him Slinky has too much greed He forgets all his common sense and puts himself in danger just to satisfy his desire He really wants to eat a mouthwatering egg but does he need it NO He has enough to eat Slinky's mom is a wonderful cook but does Slinky feel satisfied with his mom's tasty dishes NO He gives into his greed Greed is a kind of hunger that has nothing to do with actually being hungry It has to do with seeing something that we really like and wanting it right then and there no matter what we have to do to get it As you will see from Slinky's predicament there can be great danger in trying to satisfy your greed

Slinky Slithertail and the Talent Show

Margaret Brownell Lorenzen,2004-01-01 A charming children's story about a young snake named Slinky Slithertail Slinky Slithertail and the Talent Show is a tale of bravery and the ways in which one can surprise oneself into action when it really matters The action begins on the day of the First Annual Talent Show an event put together by the animal neighbourhood to showcase the various abilities of the members of the community Slinky Slithertail the herpetological hero of the story is one of the prime organisers of the event and has himself chosen to perform a daring high wire act Hes a little nervous about this and is worried about whether he will be able to pull it off and also whether he will be brave enough to hang upside down by his tail from the middle of the wire like Willy Squirrel who is also going to be walking the high wire Slinky is also a little disappointed as hes learned that his father will not be attending the show as a lesson in selflessness and caring for others we find out that he will be busy helping a neighbour prepare his home for winter In the meantime however theres an entire day to get through before the show Slinkys mother gives him the task of looking after his little brother Sliver an adorable but naughty scamp with a tendency to wander off usually upwards as he clambers up trees and tall plants Theres a nod back to Margaret Brownell Lorenzens previous Slinky fable Slinky Slithertail when the little snake hears the sound of chickens bawling in the distance and is tempted to go over to the henhouse and see whether there are any nice fresh eggs to steal and eat but he remembers how awful he felt when he swallowed a fake decoy egg by mistake He reminds himself that he promised never to steal again in a very nice reinforcement of ideas previously expressed to earlier readers He passes the lesson on to his younger brother Throughout the course of the day were introduced to some of the other members of Slinkys world butterflies dragonflies mice beavers raccoons rabbits Its a sleepy contented happy world marred by only one thing the farmers cat Frisky Mouse has a run in with the ginger feline and escapes unscathed but the cats shadow hangs over the rest of the story thereafter and we are made aware that not all is perfect in this little microcosm of the human world Finally its

show time The description of the show itself is a visual and aural feast one can practically see and hear the dancing and singing taste the pies which the animals feast on during intermission In fact a stage play of the story is being developed as well so look out for it on a stage near you in the future Ms Brownell Lorenzen has written about the show wonderfully well with sweet unique touches such as a butterfly landing mischievously on a ponderous turtles nose a hummingbird giving a flower to a blushing wren and a family of bees spelling out the word Intermission The story climaxes with Slinkys high wire act where not only does he find the courage to perform admirably but he also carries out another act of selflessness and bravery without even thinking about it at a critical moment of extreme danger he has more courage than he ever thought possible Margaret Brownell Lorenzen writes with wit and sensitivity about some of the issues we all face as we grow up in this world which is filled with danger and the need to make effective choices The characters face disappointment and fear but they experience joy as well they accomplish their goals they grow and learn and develop as they begin to believe in themselves Children's Books in Print, 2007 ,2006 **Children's Books in Print** R R Bowker
