

Slither

The background of the cover is a dynamic, swirling blue and white pattern, resembling a vortex or a high-speed camera shot of water. In the center, a large, detailed cobra is coiled, its head raised and mouth open, showing its fangs and tongue. The cobra's body is a mix of dark and light scales, with a prominent lighter-colored hood. The overall tone is dramatic and action-oriented.

of her estranged father and murdered sister memories she's not ready to grapple with. This part of Alaska, icy, rough, remote, populated by outcasts, proves impenetrable even for a seasoned FBI agent like Sadie. The killer matching his landscape is more sinister and smart than anyone Sadie has encountered. Amidst the perplexing clues, Sadie remains sure of only one thing: he will strike again. Against her wishes, Sadie must team up with Sheriff Logan Cooper, single, begrudging, and with a dark past of his own. Together they must enter the canals of this killer's twisted mind and seek help from the locals, however hostile, to solve the pattern of these murders before another girl turns up dead. With a major storm coming, can Sadie solve the murders before it's too late? Or will she end up as the next body floating under the ice?

In **ONLY RAGE** (Book 2), FBI Special Agent Sadie Price has barely recovered from her last case when she is assigned to an urgent new one: a gruesome discovery has revealed women are turning up dead, their bodies found in the cargo holds of fishing boats, half eaten by crabs. Sadie, stuck for the winter and here to stay, must form a tenuous alliance with Sheriff Logan Cooper and the local bar owner if she is to penetrate the icy wall of outcast locals. Exploring the harbor and the crusty workers who inhabit it, Sadie needs answers to this seemingly unsolvable string of murders and to the mysteries of her own past. Suspects abound in the remote and unforgiving landscape. But this is no garden variety killer, and hunting him down may end up a bridge too far, even for a brilliant agent like Sadie. In a deadly game of cat and mouse, can Sadie prove herself a match for this killer? Or will he prove to be her undoing?

In **ONLY HIS** (Book 3), when a young woman is found mauled by a bear, the second case in one week, the authorities chalk it up to a desperate animal driven by hunger to attack. Nature, as far as the locals are concerned, can be as cruel a killer as any murderer. But Sadie isn't convinced. She suspects a serial killer, and when she realizes both victims were young women living alone in cabins, she takes it upon herself to visit a string of isolated, desolate cabins in the wilderness, including one with particular significance: her father's. When a third woman is found, Sadie knows she is the only thing standing between this diabolical killer and his innocent next victim. But in the forbidding wilderness, in the thick of winter, can Sadie reach the woman before it's too late? And can she stop this killer all while unearthing the ghosts of her own family's past?

An action-packed page-turner, the **SADIE PRICE** series is a riveting crime thriller jammed with suspense, surprises, and twists and turns that you won't see coming. It will have you fall in love with a brilliant and scarred new character while challenging you amidst a barren landscape to solve an impenetrable crime.
