

THE KENTONS

W. B. Woodville.

The Kentons

M Carnoy

The Kentons:

The Kentons William Dean Howells, 2020 W D Howells is quite in his best vein in *The Kentons* Like all of his work this possesses that quality which we expect in a classic but rarely look for and more rarely find in contemporary fiction of repaying the closest and most minute reading and it is this fact which seems most surely to guarantee a long life to his books It is of no use to gallop through Mr Howells the habitual gallopers invariably find him dull and wonder what his admirers see in him The proper way to enjoy him is to have or get a sense of humor and then to settle down in the most leisurely of moods to chuckle over the delicate irony the sly little digs the genial humor of his pages Possibly the taste for W D Howells like the taste for Henry James is natural rather than acquired but it is to be said that in both cases it grows rapidly with indulgence There is much in getting the peculiar point of view from which Mr Howells looks out upon the world It is a delightful chance that has brought us the family history of the Kentons who will be remembered as figuring in the back ground of *Their Silver Wedding Journey* especially the fine looking depressed Grand Army man on the steamer who seemed to desire nothing so much as to get back to his square brick house at Tuskingum It may be confidently said that no more typically American family has been created in fiction than these Kentons as they are drawn for us in these later pages Of course there is room for discussion as to what the typical American is whether the New Englander or the Southerner or the Westerner or the new and alien hyphenated elements which our younger writers are celebrating as the real thing Yet a strong case may be made out for the American of the type represented in fiction most fully by Mr Howells and the younger Henry James on the score that it represents more of those ideals and characteristics which have been regarded as peculiarly American than any other type The plot of the story is slight but in the end the reader knows the Kentons more thoroughly and more intimately than almost any real family except his own Altogether the novel has the charm of what is typical

The Encyclopedia of Northern Kentucky Paul A. Tenkotte, James C. Claypool, 2014-10-17 The Encyclopedia of Northern Kentucky is the authoritative reference on the people places history and rich heritage of the Northern Kentucky region The encyclopedia defines an overlooked region of more than 450 000 residents and celebrates its contributions to agriculture art architecture commerce education entertainment literature medicine military science and sports Often referred to as one of the points of the Golden Triangle because of its proximity to Lexington and Louisville Northern Kentucky is made up of eleven counties along the Ohio River Boone Bracken Campbell Carroll Gallatin Grant Kenton Mason Owen Pendleton and Robertson With more than 2 000 entries 170 images and 13 maps this encyclopedia will help readers appreciate the region's unique history and culture as well as the role of Northern Kentucky in the larger history of the Commonwealth of Kentucky and the nation Describes the Golden Triangle of Kentucky an economically prosperous area with high employment investment and job creation rates Contains entries on institutions of higher learning including Northern Kentucky University Thomas More College and three community and technical colleges Details the historic cities of Covington Newport Bellevue Dayton and Ludlow and their

renaissance along the shore of the Ohio River Illustrates the importance of the Cincinnati Northern Kentucky International Airport as well as major corporations such as Ashland Fidelity Investments Omnicare Toyota North America and United States Playing Card *The Kentons; a novel* William Dean Howells,1902 *The Forum* Loretta Sutton Metcalf,Walter Hines Page,Joseph Mayer Rice,Frederic Taber Cooper,Arthur Hooley,George Henry Payne,Henry Goddard Leach,1902
Current political social scientific education and literary news written about by many famous authors and reform movements
