The King Describes His Kingdom:

The King Describes His Kingdom Richard C. Howard, 2003 **The Ten commandments and the Lord's prayer** Ferdinand Schureman Schenck, 1902 *The Journal of John Jourdain, 1608-1617, Describing His Experiences in Arabia, India, and the Malay Archipelago* John Jourdain, 1905 John Jourdain died 1619 was a British captain in the service of the East India Company He joined the company as a factor in 1607 and first sailed on its Fourth Voyage to India making stops along the way at the Cape of Good Hope Socotra and other Indian Ocean islands and Aden and Mocha in Yemen before arriving at Surat The Fourth Voyage consisted of two ships the Union and the Ascension A pinnace was built and added to the two ships during a stop at Table Bay The voyage encountered many problems and the ships never made it back to England Bad weather in the Indian Ocean separated the vessels and hostilities with the Portuguese and with the natives often broke out making the voyage the worst in the company's early history After failing to secure a trading post in India and dismayed with the time and gifts they wasted on Mughal officials the British headed back to the Red Sea where they resorted to seizing and ransoming Indian ships near Mocha Jourdain was later sent on a mission to Sumatra this time to challenge the Dutch monopoly on trade in the Spice Islands The Journal of John Jourdain 1608 1617 Describing his Experiences in Arabia India and the Malay Archipelago is the author's narrative of the nine years he was away while serving in the East India Company The book begins with a lengthy introduction summarizing and elucidating the events that Jourdain chronicled in his journal It begins on March 25 1608 when he left the Downs on the southeast coast of England and ends on June 19 1617 when his journal ceased with a final entry written near Dungeness on the way to the Downs On a later journey Jourdain was shot by a Dutch sniper in Patani India and died from his wounds in July 1619 The journal entries vary in length and substance from brief descriptions of the weather conditions at sea to much longer accounts of events and places Lists of authorities bibliographies and appendices of people and places are given at the end of the book The Sacred Books of the East Described and Examined: Epics poems and Puranas: The Ramayana. The Mahabharata. The Vishnu Purana. 1st ed. 1896 ,1898 *Visions of the King* Timothy Raymond, Timothy Raymond stresses that the last book in Scripture is not a revelation of beasts horns and other symbols it is the Revelation of Jesus Christ the One who willingly placed Himself on the altar to save us from our sins thoroughly defeated the devil and loosened his mortal grip on our race and promises to culminate this victory by coming back to take His faithful followers home Many avid students of Bible prophecy will consider Visions of the King a fascinating contribution to this literary genre The intricate manner in which he highlights scriptural parallels that may be new to even seasoned Adventist laypeople and scholars will prompt readers to put on their thinking caps and prayerfully evaluate these intriguing connections Raymond's premise is Jesus Christ's heavenly coronation as King which must occur before He returns to earth to culminate His victory over the father of evil The author often emphasizes the biblical pattern of celestial events instigating terrestrial counterparts with our Lord's inauguration as High Priest and Pentecost being a prime example One of the more

exciting studies within these pages is the parable of the ten virgins which Raymond found to be significantly rooted in the Old Testament The author hopes that those who invest some of their time into studying these themes will achieve optimal alertness and fullness of the Holy Spirit thus being thoroughly prepared to attend the wedding feast of the Groom **The Governor and the King** Arthur M. Wright Jr.,2019-04-16 The Fourth Gospel is a political document Although it has often been interpreted primarily as a spiritual gospel it has much to offer readers engaged in the difficult task of negotiating life lived under the dominion of empire whether in the first or twenty first century This book gives careful attention to the political dimensions of the Gospel s Passion Narrative including the arrest scene 18 1 12 the Roman show trial 18 28 19 16 and the crucifixion and burial of Jesus 19 16 40 It employs James C Scott s model of hidden transcripts and examines the Fourth Gospel s use of irony as it seeks to understand the political dimensions of the Fourth Gospel and its relationship to the Roman Empire In this book Wright argues that the Passion Narrative displays part of a Johannine hidden transcript that resists contests and at times mimics elements of Roman imperial power The Gospel mocks the representatives of Rome including Pilate the Roman soldiers and the Jewish authorities eroding confidence in the empire and its agents It also subverts Roman imperial claims of dominance authority and power As such the Fourth Gospel fosters an alternative worldview and community one centered on faith in the sovereignty of Jesus and Israel s God *The Acts and Monuments of John Foxe* George Townsend,2025-08-24 Reprint of the original first published in 1843 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Evangelical Idolatry** Jeff Mikels,2025-01-23 I m a pastor who is guilty of perpetuating the worship of idols Like many people today Jeff Mikels is concerned by the evangelical church s embrace of cultural and political idols Unlike many people however Mikels is a former evangelical pastor who regrets his complicity in this trend Evangelical Idolatry How Pastors Like Me Have Failed the People of God is both a confession and a call to repentance Reflecting on his twenty year pastoral ministry with candor and humility Mikels acknowledges the ways he enabled parishioners to develop destructive loyalties to cultural and political idols As he works to reform his own worldview and embrace allegiance to Christ alone he urges evangelical pastors and laypeople to join him in reforming their faith and living out the good news of the true gospel *The Acts and Monuments of John Foxe* John Foxe,George Townsend,1843

Ancient and Modern Israel Ira Sharkansky,2012-02-01 This book identifies and examines those parallels between ancient and modern Israel that help to clarify the conflicts apparent in modern Israel It discusses such contemporary issues as the Arab uprising and the Israeli government s ambivalence in dealing with it the government s inability to come to a permanent solution concerning the territories occupied in 1967 and the lack of a clear cut consensus in the 1988 elections By comparing these and other modern issues to those of ancient Israel Sharkansky shows that Israel s deeply rooted problems as a nation are likely to continue occasionally punctuated by violent outbursts
