to handle this challenging phenomenon What has not been adequately discussed during these debates however is the influence of immigration on religion in the host countries The increase in the number of Moslem immigrants in the West has been raised in some publications However this book is among the first to examine the impact of immigration on the Christian faith from a biblical perspective The fact is in many Western countries today the future of Christianity is progressively becoming dependent on immigration Is there any biblical perspective to the phenomenon What should be the response of Christians to the debate And how should Christian immigrants themselves interpret their experiences in the light of the Word of God Asumang examines the lives and experiences of the giants of the Bible to answer these questions And his conclusions are insightful and challenging both to immigrant and non immigrant Christians alike Welcome to the Kingdom Dana Carson D.Min.
