The Lake People:

Who Am I? Kara Hudson, LCPC, 2025-05-24 Who am I Who gets to decide who I am What experiences determine my worth Were my childhood family relationships supportive of my true identity or destructive Did my family culture and belief system support LOVE for myself and others What do I do with the forbidden questions I wasn't allowed to ask What happens when I'm terrified to question my beliefs What happens when I do what I'm supposed to do and my body is falling apart How can my body help me find peace This book is not just a collection of questions but a tool for transformation It provides a safe space for you to explore your identity and beliefs without judgment You will discover meaningful psychologically sound methods to connect with your mind emotions body and spirit ultimately leading you to a deeper understanding of Self

The Crannog Trevor Houghton, 2013-05-07 The crannog a fortified island palace on a small lake in a remote Welsh mountain kingdom is all that protects Ruadh and his family from marauding Vikings and power hungry Saxons In 916 a cataclysmic event sends father daughter and son in different directions Their epic journeys see them drawn deep into the political intrigues of their time and swept up in the volatile movements of trade in human lives and luxuries Travelling to the darkest regions of human conflict and to the distant margins of early medieval Europe body and mind are tested as each tries to make a life in a violent and rapidly changing world Weaving archaeological evidence and historical record into a fast moving fictional tale Trevor Houghton conjures up the sights sounds and smells of early medieval life from the hearths of Brycheiniog to the rapids of the Dnieper River and the riches of the Byzantine Empire

The Sociological Perspective

Michael Leming, Raymond De Vries, Brendan Furnish, 2009-10-10 Sociology and Christianity Attempting to bring sociology and Christianity together is like trying to mix oil and water Christians seem to have as little regard for sociology as sociologists generally have for Christianity However in the middle of this conflict there is a group bold enough to call themselves Christian sociologists they are not willing to be stereotyped but are seriously committed to both realms This collection of essays covers topics that are typically addressed in introductory sociology courses Written from a Christian point of view these essays are also geared for a wide range of readers from undergraduates to professional sociologists who bring faith commitments to the sociological task The editors goal is to provide an understanding of societal forces that is informed by a Christian conscience Toward that end certain recurring themes are found in this book the need for informed Christian social action the conflict between the individual and the community the conflict between freedom and determinism and the significance of social sin
