Life in Abyssinia Mansfield Parkyns,1853 *Abyssinia's Samuel Johnson* Wendy Laura Belcher,2012-05-31 As a young man Samuel Johnson one of the most celebrated English authors of the eighteenth century translated A Voyage to Abyssinia by Jeronimo Lobo a tome by a Portuguese missionary about the country now known as Ethiopia Far from being a potboiler this translation left an indelible imprint on Johnson Demonstrating its importance through a range of research and attentive close readings Abyssinia s Samuel Johnson highlights the lasting influence of an African people on Johnson s oeuvre Wendy Laura Belcher uncovers traces of African discourse in Johnson s only work conceived for the stage Irene several of his short stories and of course his most famous fiction The History of Rasselas Prince of Abissinia Throughout Belcher provides a much needed perspective on the power of the discourse of the other to infuse European texts Most pointedly she illuminates how the Western literary canon is globally produced developing the powerful metaphor of spirit possession to suggest that some texts in the European canon are best understood as energumens texts that are spoken through Her model of discursive possession offers a new way of theorizing transcultural intertextuality in particular how Europe s others have co constituted European representations Drawing on sources in English French Portuguese and Ge ez this study challenges the conventional wisdom on Johnson s work from the inspiration for the name Rasselas and the nature of Johnson s religious beliefs to what makes Rasselas so strange A rich monograph that fuses eighteenth century studies comparative literature and postcolonial theory Abyssinia s Samuel Johnson adds a fresh perspective on and a wealth of insights into the great enigmatic man of letters [Life in Abyssinia](#) ,1853 [The Farmer's Library](#) ,1847 *Opportunity* ,1936 [East of Empire](#) Erin M.B. O'Halloran,2025-03-11 From the outset of the twentieth century Egyptian and Indian leaders understood their movements for self determination as linked and part of a shared project Following World War I as connections between the Middle East and South Asia proliferated Egypt and India lay squarely at the heart of increasingly complex and multilateral relations East of Empire traces how anticolonial nationalism gained momentum across the East and documents the friendships rivalries cultural exchanges and shifting political alliances that came to animate the interwar project of Easternism a cosmopolitan vision of the world whose center of gravity lay beyond Europe in the great city of Cairo Erin O Halloran offers a compelling new account of the era immediately preceding decolonization and the epochal partitions of India and Palestine Alongside well known figures like Mohandas K Gandhi Jawaharlal Nehru and Saad Zaghlul she introduces less familiar but no less intriguing personalities feminists diplomats and poets surrealists socialists and spies Each dreamed wrote organized and fought for the liberation of the East a space universally evoked though seemingly impossible to pin down Drawing on a broad cross section of Indian Arab British and European sources East of Empire transcends archival partitions to tell a powerful and nearly forgotten set of stories about the rise of anticolonial nationalism and the end of empire across the Middle East and South Asia
