El-Hi Textbooks in Print ,1974 **Land Speed Records** Don Wales, 2018-03-22 The Land Speed Record is a fascinating story of human endeavour of man and machine battling time to be the fastest Since 1898 many have dreamed of

being the fastest on earth first with electric then steam then petrol moving forward to the jet car and into the present and future with rocket power The glory years of the record are studded with iconic names such as Malcolm and Donald Campbell Henry Segrave John Cobb George Eyston and more recently Craig Breedlove and Richard Noble The next race is on for 1 000mph with the latest British attempt by Bloodhound SSC In this colourfully illustrated introduction using many photographs from the Motoring Picture Library at Beaulieu Malcolm Campbell s grandson tells of the brave drivers and powerful machines that have propelled themselves into the record books

Speed Duel Samuel Hawley, 2011-12-23 The quest for the land speed record in the 1960s and the epic rivalry between two dynamic American drivers Art Arfons and Craig Breedlove Interesting and complex The best job I ve seen done on the subject so far Craig Breedlove Until the 1950s the land speed record LSR was held by a series of European gentlemen racers such as British driver John Cobb who hit 394 miles per hour in 1947 That record held for more than a decade until the car culture swept the U S Hot rodders and drag racers built and souped up racers using car engines piston aircraft engines and eventually jet engines For this determined and dedicated group the LSR was no longer an honor to be held by rich aristocrats with industrial backing it was brought stateside In the summer of 1960 the contest moved into overdrive with eight men contending for the record on Utah s Bonneville Salt Flats Some men died in horrific crashes others prudently retired and by mid decade only two men were left driving Art Arfons and Craig Breedlove By 1965 Arfons and Breedlove had walked away from some of the most spectacular wipeouts in motor sport history and pushed the record up to 400 then 500 then 600 miles per hour Speed Duel is the fast paced history of their rivalry Despite the abundant heart stopping action Speed Duel is foremost a human drama Says author Samuel Hawley It is a quintessential American tale in the tradition of The Right Stuff except that it is not about extraordinary men doing great things in a huge government program It s about ordinary men doing extraordinary things in their back yards
