Adam: First and the Last Simon Turpin, 2023-07-28 Are you prepared to defend the biblical account of Adam as a living

man formed by God Many theologians pastors and philosophers now teach that the Adam we find in Genesis was a myth story or parable In Adam First and the Last Simon Turpin Ex Director of Answers in Genesis UK Europe reveals why understanding Adam to have been the first man created is critical for a consistent theological understanding of the biblical message of creation the fall and redemption If you deny the First Adam not only do you deny the sufficiency of Scripture and undermine its authority but you ultimately attack the life teaching and person of the Last Adam our Lord Jesus Christ Ken Ham CEO of The Ark Encounter Creation Museum Answers in Genesis The very teachings of Jesus regarding creation and the flood are being attacked on the basis that because of His human nature there was error in some of His teaching The theory of biological evolution though lacking evidence is why many reject Adam as a historical individual or see him as anything other than the originating head of the human race The church is facing a crisis because too few of her people and leaders understand the consequences of combining the Bible and evolution Sadly today more and more evangelical Christian scholars are having to redefine passages of Scripture because they have adopted the idea of evolution and millions of years into their thinking These questions may be the biggest doctrinal issues facing our generation and the church s attitude toward them could be a defining moment in Christianity Adam First and the Last will prepare you your family and your church to stand against today s false teachers and strengthen your faith in the infallible Word of God Turpin offers a true biblical apologetic that will be used for decades and even centuries to help the Body of Christ hold fast to their confession of faith without wavering Hebrews 10:23

The Last Illumination Johanes Vegba, 2025-10-31 The hope of every Christian is to go to Heaven but is Heaven real or imaginary Why must a Christian go there and what will they do once they arrive These questions have grown more pressing in the age of artificial intelligence and space exploration where even satellites have failed to locate Heaven The Last Illumination seeks to answer these enduring mysteries exploring the intersection of faith and science At its heart lies the transfiguration of Jesus Christ His radiant transformation on the mountain witnessed by the sudden appearance of Moses and Elijah Was this merely a miraculous display or did it hold deeper significance for humanity This book traces God s original purpose for mankind and examines the alienation that separated humans from His glory It delves into the nature of that divine glory how it was lost and how it may be reclaimed Through biblical insight and theological reflection the author explores the meaning of the transfiguration and its implications for modern believers Other key topics include the return of Jesus Christ on the last day the symbolism of white garments for eternity the millennial reign and the fate of Heaven and Earth The book also addresses whether Christians can miss the transfiguration and what that might mean Additionally the text considers the activities of Satan during the millennial reign the timeline of future events and the ultimate location and permanence of Heaven Rich in scriptural context and contemporary relevance The Last Illumination invites readers to reflect deeply on the mysteries of salvation the return of Christ and the eternal destiny of humanity In the end readers will come away with a clearer understanding of the transfiguration and its vital importance for

Donaldson, 2010-10-28 How we understand God's future purposes for the world must shape to a significant degree how Christians live life in the present The decades since the publication of Hal Lindsey's *The Late Great Planet Earth* have seen a great deal of end times speculation Signs of the end time apocalypse occurring soon have been heralded across our radios televisions the internet and through written forms of media urging people to either be ready for the rapture or be left behind to endure the horrific suffering of the tribulation as God's end time program unfolds Is this really what the Bible teaches about the purposes of the God of whom our Bible declares so loved the world that he gave his only son in order that all things be reconciled The Last Days of Dispensationalism carefully examines this popular understanding known to us as dispensationalism and urges us to think again and to see within the Bible's grand salvation narrative and in the person of Jesus Christ a better message of redemptive hope for the future and a greater sense of meaning and purpose for the present *Christ's Message to the Last Generation* Emilio B. Knechtle, Charles J. Sohlmann, 1997 **The Last Exodus** Dell F. Sanchez, 1998 *Unveiling the Mysteries of the Last Days* David A. Hamblin, 2010-06 Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book on the subject of end time interpretation Often the most important aspects of the Bible's prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God's Prophetic Timeline Never before has there been such a clear and concise presentation of God's timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation's seven phases ending with new heaven and new earth His approach details even subtle prophetic material including Israel's future wealth the world war it

triggers and Jesus coronation Don't be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God's Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible's prophecies
