

'My Last Duchess'

My first duchess

My second duchess

My next duchess

This is the title of the poem we are studying today. It might not seem particularly unusual, but analyse the words carefully.

What is a 'Duchess'? What kind of person do we expect a 'Duchess' to be?

Why is it important that this duchess is referred to as 'my' and 'last' duchess?

Who do you think will say this poem based on the title? What kind of a person are they based on the title alone?
