The Kings Colonials:

The Kings Colonials Garry Reynolds,1982 The King's Living Image Alejandro Canequé,2013-04-15 To rule their vast new American territories the Spanish monarchs appointed viceroys in an attempt to reproduce the monarchical system of government prevailing at the time in Europe But despite the political significance of the figure of the viceroy little is known about the mechanisms of viceregal power and its relation to ideas of kingship Examining this figure The King s Living Image challenges long held perspectives on the political nature of Spanish colonialism recovering at the same time the complexity of the political discourses and practices of Spanish rule It does so by studying the viceregal political culture that developed in New Spain in the sixteenth and seventeenth centuries and the mechanisms both formal and informal of viceregal rule In so doing The King s Living Image questions the very existence of a colonial state and contends that imperial power was constituted in ritual ceremonies It also emphasizes the viceroys significance in carrying out the civilizing mission of the Spanish monarchy with regard to the indigenous population The King s Living Image will redefine the ways in which scholars have traditionally looked at the viceregal administration in colonial Mexico *Proceedings of the Royal Colonial Institute* Royal Commonwealth Society,1903 **From Colonial Warrior to Western Front Flyer** Carole

McEntee-Taylor,2015-02-28 Sydney Herbert Bywater Harris was an adventurer a man possessed of great courage and charm who fulfilled every schoolboy fantasy and really did live the dream The second youngest of seven children the ordinary life held little appeal for Sydney so in 1898 at the age of 17 he left home in Ilford for the Klondike gold rush Arriving too late to make his fortune he decided to join the US Army Two and a half years later after seeing action in the Boxer Rebellion and the Philippines Insurrection Sydney returned to England where he met and married Elsa de Verde Verder a lady from an affluent Vermont family A year later Sydney joined the Kings Colonials Imperial Yeomanry later renamed the King Edward s Horse Still seeking excitement in August 1914 he transferred to the Royal Flying Corps and in 1916 went to France with 23 Squadron to fly the FE2b Life expectancy for pilots on the front lines was very short and he was badly wounded while gun spotting over enemy lines After several months recovering he was posted to Turnberry as Chief Instructor and on the 13th August 1917 he was posted to Marske by the Sea with the rank of Lieutenant Colonel to form and command No 2 Fighting School In 1919 he was awarded the Air Force Cross But war was not quite finished with Sydney In 1936 fleeing imminent bankruptcy he became involved with the International Brigades in the Spanish Civil War Returning back to England he joined the RAFVR Royal Air Force Volunteer Reserve and when the Second World War broke out he was posted to Turnhouse as Section Controller This really didn t suit him and determined to see more action at the age of 58 he arranged a transfer to France as Adjutant with No 1 Squadron where his duties included liaising with the French Air Force He later transferred to 1 ATS near Perpignan and was one of the last to leave France with the German Blitzkrieg only a few hours away Despite his ill health he continued to serve throughout the war and in 1947 became Commander at Marchwood Park where the members of

the Guinea Pig club went to recover A remarkable life led in an era of endless possibilities Royalties from this book will go to Help 4 Homeless Veterans who support Servicemen and women into suitable accommodation and empower them to develop a civilian career through their links with employers and other organisations *The Oriental herald and colonial review* [ed. by J.S. Gillis,2007 This work presents a new perspective on the role of States as reciprocal trustees for the Oceans Public Trust The concept of the oceans and navigable waters as held in public trust is examined from its origins in the 17th century North Sea fisheries controversy with particular regard to the arguments by Selden and Grotius pertaining to State jurisdiction over oceans and marginal sea areas Those arguments manifest an underlying common principle of navigational freedom reflected in the parallel public trust development of public rights to fishing and navigation as protected and preserved within the Royal Prerogative *jus publicum* The significance for the modern context is that the 1958 Geneva Conventions on the Law of the Sea the 1982 United Nations Convention on the Law of the Sea and a myriad of other conventions now evidence an unstated but patent public trust in the communal responsibility of States within both the conventional and customary regime of the high seas as well as in regimes for territorial seas and marginal sea areas as shared with extended coastal State jurisdictions This book is intended to serve as a reference work for this somewhat arcane source of the Oceans Public Trust and should prove a useful research source for those who study law of the sea **The Imperial and Asiatic Quarterly Review and Oriental and Colonial Record** ,1906 Beginning Apr 1895 includes the Proceedings of the East India Association

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
