

Canadian Political Culture and Value Change

- Evidence in Nevitte and Kanji from *World Values Survey*
- Canada's Values have changed
 - 'Decline of Deference' – more challenging of authority
 - media and public expect *more* information – justification of means
 - wider range of goals/values from new roles/experiences
 - greater acceptance of group politics / and from more diverse groups
 - 1. Rising Democratic Expectations – expecting more *from* authority
 - governments more open – transparency in public service
 - change in instruments of democracy – direct democracy?
 - 2. Social Permissiveness – increasing liberalism / libertarianism
 - liberalizing platforms – shift 'left' on social issues (abortion, no intolerant appeals, broader appeals, divorce)
 - 3. Cosmopolitanism – becoming 'global citizens'
 - less self/national-interest in foreign policy
 - support for multilateralism? independent foreign policy? anti-protectionism?
 - 4. Increasing Tolerance / Acceptance of Diversity
 - programs to reduce intolerance? diversity in representation? Acceptance of limited government / market solutions / meritocracy
 - privatization = efficiency , less government
 - global economic liberalization – less acceptance of protectionism
 - less redistribution? lower support for unions? privatization?

The Language Of Canadian Politics

The Language Of Canadian Politics:

The Language of Canadian Politics John McMenemy, 1980 With nearly 600 cross referenced entries The Language of Canadian Politics offers brief essays on the many facets of the Canadian political system including institutions events laws concepts and public policies Concisely written it is an important resource for people interested in contemporary politics as well as those interested in the historic context of contemporary political behaviour Readers not familiar with Canadian government and politics will find the book an invaluable introduction others will welcome this updated indispensable reference The fourth edition builds on the strengths of earlier editions Almost every entry has been revised to reflect contemporary Canadian political events and many new ones have been added The results and immediate aftermath of the 2006 federal election are included in various updated entries There are entries on the merged Progressive Conservative and Canadian Alliance parties as well as new entries on the Anti Terrorist Act the Public Safety Act and the Council of the Federation The Sponsorship Scandal and the Gomery reports are included in several entries There is new information on National Security Certificates and the O Connor inquiry into the extraordinary rendition of Maher Arar comprises part of the revised material on commissions of inquiry As a further resource Internet sites have been added to many of the entries

The Language of Canadian Politics John McMenemy, 2006-04-19 With nearly 600 cross referenced entries The Language of Canadian Politics offers brief essays on the many facets of the Canadian political system including institutions events laws concepts and public policies Concisely written it is an important resource for people interested in contemporary politics as well as those interested in the historic context of contemporary political behaviour Readers not familiar with Canadian government and politics will find the book an invaluable introduction others will welcome this updated indispensable reference The fourth edition builds on the strengths of earlier editions Almost every entry has been revised to reflect contemporary Canadian political events and many new ones have been added The results and immediate aftermath of the 2006 federal election are included in various updated entries There are entries on the merged Progressive Conservative and Canadian Alliance parties as well as new entries on the Anti Terrorist Act the Public Safety Act and the Council of the Federation The Sponsorship Scandal and the Gomery reports are included in several entries There is new information on National Security Certificates and the O Connor inquiry into the extraordinary rendition of Maher Arar comprises part of the revised material on commissions of inquiry As a further resource Internet sites have been added to many of the entries

Canadian Politics James Bickerton, Alain-G. Gagnon, 2014-01-01 The sixth edition of Canadian Politics offers a comprehensive introduction to Canadian government and politics by a highly respected group of political scientists For this edition the editors have organized the book into six parts Part I examines Canadian citizenship and political identities while Parts II and III deal with Canadian political institutions including Aboriginal governments and contain new chapters on the public service and Quebec Parts IV and V shift the focus to the political process discussing issues pertaining to culture and

values parties and elections media groups movements gender and diversity The chapters on Parliament bureaucracy political culture political communications social movements and media are new to this edition Finally three chapters in the last section of the book analyze components of Canadian politics that have been gaining prominence during the last decade the effects of globalization the shifting ground of Canadian American relations and the place of Canada in the changing world order Of the 21 chapters in this edition 9 are new and the remainder have been thoroughly revised and updated pub desc

The Origins of Canadian Politics Gordon T. Stewart, 2011-11-01 The conditions of colonial politics in Canada between 1760 and 1848 produced features that became permanent landmarks of post Confederation Canadian politics sharp partisan battles intense use of patronage strong one man dominance in party leadership and a statist orientation not only in government in Ottawa but also in Ontario and Quebec In this compelling book Gordon Stewart deals with these topics in an original way by placing Canadian politics in a comparative context against the background of political and constitutional developments in England and America between 1688 and the 1820 s The distinctive features of Canadian politics which emerged at this early stage were altered and intensified by Canada s bitter and violent transition to responsible government In no other British white settlement in the mid 19th century was the transition to responsible government as dramatic as in Canada It was characterized by extravagant partisan rhetoric armed rebellions and the razing of the Montreal parliament buildings Out of these extraordinary colonial conditions there developed by the time of Confederation a type of Canadian politics that was quite different from the common background in either England or America By examining the crucial ways in which Canadian colonial politics diverged from the American colonial and British patterns Stewart provides a new interpretation of the origins of Canadian political traditions He also gives the first comprehensive analysis of the place of patronage in Canadian politics In many respects the book is the Canadian counterpart of Bernard Bailyn s influential work *The Origins of American Politics* But Stewart also deals with important issues raised by recent Canadian scholars about Canada s early political development Because the author casts such familiar topics as the coming of responsible government in a completely different light the book should promote provocative discussion and controversy At the same time Stewart s illuminating analysis will prove an essential resource for upper undergraduate and graduate history and political science courses and because of its chronological breadth survey courses in Canadian history

Language and Politics in the United States and Canada Thomas K. Ricento, Barbara Burnaby, 1998-05-01 This volume critically analyzes and explains the goals processes and effects of language policies in the United States and Canada from historical and contemporary perspectives The focus of this book is to explore parallel and divergent developments in language policy and language rights in the two countries especially in the past four decades as a basis for reflection on what can be learned from one country s experience by the other Effects of language policies and practices on majority and minority individuals and groups are evaluated Differences in national and regional language situations in the U S and Canada are traced to historical and sociological

demographic and legal factors which have sometimes been inappropriately generalized or ignored by ideologues The point is to show that certain general principles of economics and sociology apply to the situations in both countries but that differing notions of sovereignty state and nation ethnicity pluralism and multiculturalism have shaped attitudes and policies in significant ways Understanding the bases for these varying attitudes and policies provides a clearer understanding of the idiosyncratic as well as more universal factors that contribute to tensions between groups and to outcomes many of which are unintended The volume makes clear that language matters always involve issues of culture economics politics individual and group identities and local and national histories The chapters provide detailed analyses on a wide range of issues at the national state provincial and local levels in both countries The chapter authors come from a variety of academic disciplines education geography journalism law linguistics political science and sociology and the findings taken together contribute to an evolving interdisciplinary theory of language policy

The Oxford Handbook of Canadian Politics John C.

Courtney, David E. Smith, 2010-04-08 Canada officially achieved legislative autonomy in 1931 and has since developed into one of the world's most prosperous democracies Though its political system is widely commended for its stability and fairness it is nonetheless extremely complex Particularly within the past five decades Canada has undergone a vast social and political revolution as exhibited by events such as the Quiet Revolution in Quebec the ratification of the Charter of Rights and Freedoms the Medical Care Act of 1966 and the official adoption of bilingualism and multiculturalism As the world moves towards globalization technology has likewise facilitated communication between previously isolated provinces and territories within Canada Such developments hold significant implications for the role of Canadian politics both domestically and internationally The Oxford Handbook of Canadian Politics provides a comprehensive overview of the transformation that has occurred in Canadian politics since the country achieved autonomy examining the institutions and processes of Canadian government and politics at the local provincial and federal levels It analyzes all aspects of the Canadian political system the courts elections political parties Parliament the constitution fiscal and political federalism the diffusion of policies between regions and various aspects of public policy The Handbook examines recent trends such as the movement towards minority Parliaments and extrapolates potential developments This handbook represents the work of a distinguished array of contributors including some of the world's most prominent scholars of political science This volume renders an objective authoritative portrait of the Canadian political system it is indispensable to anyone interested in the topic

Canadian Politics, Sixth Edition James Bickerton, Alain-G. Gagnon, 2014-03-31 The sixth edition of Canadian Politics offers a comprehensive introduction to Canadian government and politics by a highly respected group of political scientists For this edition the editors have organized the book into six parts Part I examines Canadian citizenship and political identities while Parts II and III deal with Canadian political institutions including Aboriginal governments and contain new chapters on the public service and Quebec Parts IV and V shift the focus to the political process discussing issues pertaining to culture and

values parties and elections media groups movements gender and diversity The chapters on Parliament bureaucracy political culture political communications social movements and media are new to this edition Finally three chapters in the last section of the book analyze components of Canadian politics that have been gaining prominence during the last decade the effects of globalization the shifting ground of Canadian American relations and the place of Canada in the changing world order Of the 21 chapters in this edition 9 are new and the remainder have been thoroughly revised and updated

Canadian Politics, Seventh Edition James Bickerton, Alain-G. Gagnon, 2020-08-31 For this new edition James Bickerton and Alain G Gagnon have organized the book into six parts Part I covers the origins and foundation of Canada as a political entity while Part II focuses on government parliament and the courts Part III examines matters pertaining to federalism and the Canadian Charter of Rights and Freedoms Part IV casts some new light on electoral politics and political communications and Part V examines citizenship diversity and social movements Part VI the final section of the book concentrates on a number of political issues that merit special attention on the part of political actors and decision makers namely the evolving relationship between Canada and Indigenous peoples immigration and refugees environment and climate change and relations between Canada and the United States This seventh edition of Canadian Politics includes 12 new chapters with ten new contributing authors and coverage of six new subjects and is essential reading for students and specialists studying Canadian politics

Parties, Elections, and the Future of Canadian Politics Amanda Bittner, Royce Koop, 2013-03-01 On May 2 2011 as Canadians watched the federal election results roll in and Stephen Harper's Conservatives achieve a majority it appeared that we were witnessing a major shift in the political landscape In reality Canadian politics had been changing for quite some time This volume provides the first account of the political upheavals of the past two decades and speculates on the future of the country's national party system By documenting how parties and voters responded to new challenges between 1993 and 2011 this book sheds light on one of the most tumultuous periods in Canadian political history

Continuity and Change in Canadian Politics Hans J. Michelmann, Cristine de Clercy, 2006-12-15 The state of Canadian politics is in constant flux Current and recent issues and events have led to a host of changes in the way politics is done in this country and there are no signs of this trend coming to an end In *Continuity and Change in Canadian Politics* Hans J Michelmann and Cristine de Clercy along with some of the leading names in Canadian political scholarship provide a many sided assessment of contemporary Canadian government and politics to honour the career of their eminent colleague David E Smith The contributors to this collection address a range of policy sectors and institutional features These include the changing constitution the senior civil service the impact of NAFTA federal provincial relations unilateralism in social policy Aboriginal self government citizenship and immigration policies coalition governments agriculture and of course Smith's impact on the political scholarship of Western Canada *Change and Continuity in Canadian Politics* gets to the heart of key issues and provides important insights into contemporary Canadian government and politics Contributors Christine de Clercy
