Get the Callback Jonathan Flom, 2016-05-02 All great auditions require preparation and practice but what's the secret to securing a callback? What are the best ways to prepare for that pivotal moment? And once you're in front of the casting director, what does it take to make the most out of your moment in the spotlight? In this second edition of *Get the Callback: The Art of Auditioning for Musical Theatre*, Jonathan Flom provides practical advice on the many facets of preparation including selection of songs and monologues to suit your voice and the audition, organizing and arranging your music, working with the accompanist and presenting yourself to the casting team. The book gives a detailed description of the actual audition performance and even offers advice on how non-dancers can survive a dance audition. In addition to extensively revised chapters on the audition process and how to build a repertoire, this guide also features updated chapters on headshots, resumes and cover letters, voice training techniques from Matthew Edward, advice from musical director Joey Chancey and a foreword by casting director Joy Dewing. Aimed at professionals as well as young artists, this second edition of *Get the Callback* is a must-have for both seasoned and aspiring musical theatre performers.

Drawing on disciplines from art history to musicology and reception studies, *The Routledge Research Companion to Early Drama and Performance* reconsiders early drama as a mixed mode entertainment, best studied not only alongside non-dramatic texts but also other modes of performance. From performance before the playhouse to the afterlife of medieval drama in the contemporary avant-garde, this stunning collection of essays is divided into four sections: Northern European, Playing before the Playhouse, Modes of Production and Reception, Reviewing the Anglophone Tradition, The Long Middle Ages.

Offering a much needed reassessment of what is generally understood as English medieval drama The Routledge Research Companion to Early Drama and Performance provides an invaluable resource for both students and scholars of medieval studies The Oxford Handbook of Dance and Competition Sherril Dodds,2019 This Handbook asks how competition affects the presentation and experience of dance
