The Last Chapter A Story On Hold:

Uncertain Values Stefan Riedener, 2021-10-25 How ought you to evaluate your options if you're uncertain about what's fundamentally valuable? A prominent response is Expected Value Maximisation (EVM), the view that under axiological uncertainty an option is better than another if and only if it has the greater expected value across axiologies. But the expected value of an option depends on quantitative probability and value facts and in particular on value comparisons across axiologies. We need to explain what it is for such facts to hold. Also, EVM is by no means self-evident. We need an argument to defend that it's true. This book introduces an axiomatic approach to answer these worries. It provides an explication of what EVM means by use of representation theorems: intertheoretic comparisons can be understood in terms of facts about which options are better than which and *mutatis mutandis* for intratheoretic comparisons and axiological probabilities. And it provides a systematic argument to the effect that EVM is true: the theory can be vindicated through simple axioms. The result is a formally cogent and philosophically compelling extension of standard decision theory and an original take on the problem of axiological or normative uncertainty.

Don't Hold Back David Platt, 2023-02-28 The New York Times bestselling author of *Radical* challenges Christians to break free from an American gospel that prostitutes Jesus for comfort, power, prosperity, and politics and fully pursue the true gospel that exalts Jesus above all. Pastor David Platt believes we've gotten really good at following a really bad gospel, one that worships American ideas over biblical truth. It's time for disillusioned, discouraged, and divided Christians and the next generation to follow Jesus into a different future. But we have to make a choice: an American gospel or the biblical gospel. Worldly division or otherworldly unity. Compromise with the idols of our country or commitment to God's call in our lives. In *Don't Hold Back*, Platt encourages followers of Jesus to take necessary risks and find unimaginable reward as we work for not against each other, especially when we disagree. Turn the tide on centuries of racial division in the church. Trust all of God's Word with conviction while loving everyone around us with compassion. Do justice with kindness and experience the good life according to God. Play our part in spreading the gospel to all the nations of the world. We can experience the full wonder of Jesus and transcendent beauty of his church here and now. But in order to do so, some things need to be different. Starting not in those people but in each one of us. With the gospel in our hearts and God as our prize, let's press on and don't hold back.
