The Last Good German Bill Granger, 2024-09-24 They met before Their encounter nearly cost Devereaux code name November his life Now amid a perilously uncertain global thaw they meet again America's November Man an agent without faith and a defunct East Germany's Double Eagle an agent without a country For Double Eagle the confrontation is the means to a totalitarian counter coup inside a reunified Germany For November it is the only way to halt the devastating blackmail of Rita Macklin his one love Once more the two long standing adversaries and the powers behind them will try to use each other And this time the spy called Double Eagle is determined that the November Man won't survive **The Last Good German** Bill Granger, 2024-09-24 They met before Their encounter nearly cost Devereaux code name November his life Now amid a perilously uncertain global thaw they meet again America's November Man an agent without faith and a defunct East Germany's Double Eagle an agent without a country For Double Eagle the confrontation is the means to a totalitarian counter coup inside a reunified Germany For November it is the only way to halt the devastating blackmail of Rita Macklin his one love Once more the two long standing adversaries and the powers behind them will try to use each other And this time the spy called Double Eagle is determined that the November Man won't survive **The Last Good Job in America** Stanley Aronowitz, 2007-11 Money jobs careers training_all are topics often overheard in the conversation of middle class Americans One of the nation's leading critics of education the world of work and the labor movement Stanley Aronowitz shows how new technologies labor and education all are deeply intertwined in our culture and everyday lives This book reflects Aronowitz's thinking at a time when globalization has brought these connections to broad public attention Aronowitz argues for the decline of the job as the backbone along with family of American society Despite high employment low wages and job insecurity leave many families at or below the poverty line The career instability previously experienced mostly by blue collar workers has spread to middle managers and high level executives caught in the rapid movement of capital and technologies In light of these facts Aronowitz argues for a new social contract between employers and workers **The Good German** Joseph Kanon, 2006-10-31 Set in Berlin in 1945 a brilliant thriller about the end of one war and the beginning of another is offered by the bestselling author of Los Alamos **The Last Good Man** A.J. Kazinski, 2013-03-12 A story based on the Jewish legend about how the world is always protected by 36 people follows the sudden deaths of dozens of humanitarians who each bear a bizarre tattoo and whose untimely ends are investigated by Copenhagen detective Niels Benzon who would save the remaining protectors *November Man* Bill Granger, 2014-07-29 Previously published as *There Are No Spies* SOON TO BE A MAJOR MOTION PICTURE STARRING PIERCE BROSNAN IN THEATERS AUGUST 27TH The classic thriller featuring the lethally cool U.S. government spy code named The November Man The president learned long ago that the CIA could not be trusted And so he created his own group of deadly efficient men to gather independent intelligence a watchdog organization to keep the CIA in check R Section was born There are no spies Until he heard those

four simple words Devereaux thought he'd left his days in R Section behind. He was no longer The November Man, an American field officer in the vice grip of duty and danger and the most brilliant agent R Section had ever produced. When he receives the cryptic message from Hanley, his former handler, Devereaux has no idea he's about to be reactivated into a mission to save both his life and R Section itself. He's not aware that a beautiful KGB agent has been ordered to stalk and kill him or that Hanley is now in a government subsidized asylum for people with too many secrets. And he doesn't know that zero hour ticks closer for an operation to catch a master spy with Devereaux the designated pawn. What The November Man doesn't know can kill him.

The Zurich Numbers Bill Granger, 2024-09-24 An ingenious imaginative plot The November Man has a steely indomitable quality that raises him to Bond's superstar status. The Kansas City Star: They are immigrants working in American laboratories and universities. They are Soviet spies forced into a network of terror with their families dangling as hostages. When Devereaux, the November Man, uncovers the brutal scheme, the forces of both East and West mark him and the woman he loves for death. From California to Chicago to Switzerland, the November Man tracks the cold-blooded mastermind who controls the numbers. In a vicious maze of power, murder and greed, every enemy may be a friend and every friend a sudden traitor. Praise for the November Man novels: Once again, Bill Granger has proved why he's America's best spy novelist. Ed McBain: Plenty of suspense, the November Man yarns just get better and better. People: Mr. Granger has combined Ian Fleming and John le Carr in a heady mix. He handles all the elements with real virtuosity. The New York Times Book Review

The Good Germans Catrine Clay, 2020-09-03 After 1933, as the brutal terror regime took hold, most of the two thirds of Germans who had never voted for the Nazis, some 20 million people, tried to keep their heads down and protect their families. They moved to the country or pretended to support the regime to avoid being denounced by neighbours and tried to work out what was really happening in the Reich surrounded as they were by Nazi propaganda and fake news. They lived in constant fear. Yet many ordinary Germans found the courage to resist. Catrine Clay argues that it was a much greater number than was ever formally recorded. Her ground-breaking book focuses on six very different characters. They are not seen in isolation but as part of their families. Each experiences the momentous events of Nazi history as they unfold in their own small lives. Good Germans all.

New York Magazine, 1982-10-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

Two Wheels to Freedom Arthur J. Magida, 2024-09-03 The extraordinary true story of a young Jewish art student in wartime Berlin who not just survived but resisted and retained his infectious zeal for life. Though Cioma Schonhaus was only 11 years old when the Nazis first came to power, his cleverness and resourcefulness eventually made him an unlikely hero and bon vivant. As a young adult, staying one step ahead of the S.S.

Cioma would dine in swanky restaurants and frequent trendy bars and have plenty of romances all while sabotaging weapons in the munitions factory where he worked. He even bought a sailboat and taught himself how to sail. These hijinks never distracted Cioma from a deeper mission. Trained as an artist, Cioma's fake ID's ensured that several hundred Jews survived the war. When he learned the Gestapo was closing in on him, Cioma masterminded a singularly daring escape, spending a month biking to Switzerland; he became the only person to cycle his way out of the Third Reich. Beautifully written and deeply satisfying, *Two Wheels to Freedom* is a story of survival and resistance unlike any other. Arthur J. Magida captures Cioma's exuberance, charm, spunk, and courage. His was a life lived with wonderment, one that the author sets seamlessly against the horrors of history while never losing sight of Cioma's wily ways, his zest for life, and his appetite for improbable adventures. All of them delighting in the magic that's beyond the ordinary and the staid, *Two Wheels to Freedom* is an exhilarating read that by turns illuminates and inspires.
