The Last Inca Revolt, 1780-1783 Lillian Estelle Fisher, 1966 **The Last Inca Revolt, 1780-1783** Lillian Estelle Fisher, 1966 Resistance, Rebellion, and Consciousness in the Andean Peasant World, 18th to 20th Centuries Steve J. Stern, 1987 The contributors historians and anthropologists from a number of countries move beyond the traditional structural analysis of society to a finer understanding of people as actors Native Andean initiatives and consciousness are clearly placed at the center of this inquiry which merges the best methods of history and anthropology Stern begins with a vigorously argued theoretical essay in which he identifies major findings and arguments running throughout the book demonstrates their pertinence to the more general field of peasant studies and draws out the implications for theory and method He reappraises the role of peasant consciousness and political horizons and the significance of ethnic factors in explaining peasant consciousness and revolt The case studies themselves revamp the history of Andean peasant rebellion and consciousness in Peru and Bolivia This is accomplished by studying violent uprisings as transitional moments within a long term trajectory embracing varied forms of resistance and by scrutinizing closely the ideological and cultural aspects of domination political legitimacy and rebellion The results sharply alter our understanding of three major historical problems the crisis of Spanish colonial rule and the outbreak of native Andean insurrection in the eighteenth century the response to peasants to creole wars and nation building efforts in the nineteenth century and the political strategies and dilemmas of Andean peasants in the context of populist and radical politics in the twentieth century Death, Dismemberment, and Memory Lyman L. Johnson, 2004 The long history of the politically symbolic use of the bodies or body parts of martyred heroes in Latin America A World History of Tax Rebellions David F. Burg, 2004-06-01 A World History of Tax Rebellions is an exhaustive reference source for over 4 300 years of riots rebellions protests and war triggered by abusive taxation and tax collecting systems around the world Each of the chronologically arranged entries focuses on a specific historical event analyzing its roots and socio economic context *The Course of Andean History* Peter V. N. Henderson, 2013-08 A student friendly text that tells the story of the development of the Andean republics and their people by emphasizing the themes of continuity and change over time Henderson presents a succinct narrative approach to Andean history that limits details about political coups and instead focuses on broader comparative social and culture aspects Provided by publisher

Spain's Empire in the New World Colin M. MacLachlan, 1988 **We Alone Will Rule** Sinclair Thomson, 2002 In the same era as the American French and Haitian revolutions a powerful anticolonial movement swept across the highland Andes in 1780 1781 Initially unified around Tupac Amaru a descendant of Inka royalty from Cuzco it reached its most radical and violent phase in the region of La Paz present day Bolivia where Aymara speaking Indians waged war against Europeans under the peasant commander Tupac Katari The great Andean insurrection has received scant attention by historians of the Age of Revolution but in this book Sinclair Thomson reveals the connections between ongoing local struggles over Indian

community government and a larger anticolonial movement Spain and the Independence of the United States Thomas E. Chávez, 2002 A thorough study of how Spain contributed to the Revolutionary War in America A History of Christianity in Asia, Africa, and Latin America, 1450-1990 Klaus Koschorke, Frieder Ludwig, Mariano Delgado, Roland Spliesgart, 2007-09-14
