

RHETORICAL DEVICES

Aporia

Every clear, rhetorical expression of doubt is an aporia.

E.g. To be or not to be, that is the question.

Asyndeton

Asyndeton is the removal of conjunctions between grammatical structures or sentences.

E.g. I came, I saw, I conquered.

Bdelygmia

A bdelygmia is a rant full of abuses.
E.g. If I was raised any differently I might call our coach a complete imbecile incapable of calling the simplest of plays at the right time. Yeah, a total no show, waste of time of a human being".

Chiasmus

you reverse the order of words, whole grammatical structures or concepts and repeat them in reverse order.

E.g. Don't judge unless you want others to judge you

Diacope

This rhetorical device is the repeating of one word or a whole grammatical construction separated by another word.

E.g. In times like these, it is always good to remember that, there were always times like these.

Dehortatio

when you want to give someone a piece of strong advice on what not to do

E.g. Never, never, never give in. No matter how small and insignificant the thing might seem. Never, never give in.

Apostrophe

Every time a speaker goes from addressing one individual and abruptly switches his attention to another person or an item is called apostrophe.

E.g. My dear Sun you torture me, What power this heavenly body possesses over us, oh Lord

Auxesis

It is the gradual increase in power and emphasis from one word to the next, erupting at the end of the sentence with its most powerful phrase or word
E.g. I looked, I smiled, I laughed, I died from laughter

Cacophony

When you use harsh words to add some effect to your statement or to grab the attention of the person you are addressing.
E.g. Every breath that I take without you close to me feels like a thousand daggers taring my insides apart.

Commoratio

Every time you are repeating yourself with different words you are using commoratio.

E.g. He is crazy, nuts, off his rocker, goofy, silly, gone, gonzo, totally gone, whipped like a bat.

Hendiadys

This rhetorical device entails the use of a conjunction between two words that grammatical isn't really all that necessary.

E.g. I'm starting to feel sick and tired of all your rambling.

Skls For Rhetoric Student

RJ Alexander

Skls For Rhetoric Student:

Whispering the Strategies of Language: An Emotional Quest through **Skls For Rhetoric Student**

In a digitally-driven world wherever screens reign supreme and immediate communication drowns out the subtleties of language, the profound secrets and emotional subtleties concealed within words often move unheard. However, located within the pages of **Skls For Rhetoric Student** a interesting fictional treasure sporting with organic emotions, lies an extraordinary journey waiting to be undertaken. Composed by an experienced wordsmith, this wonderful opus invites viewers on an introspective journey, softly unraveling the veiled truths and profound impact resonating within the very material of each word. Within the psychological depths of the touching evaluation, we will embark upon a genuine exploration of the book is core styles, dissect their charming publishing style, and succumb to the effective resonance it evokes strong within the recesses of readers hearts.
