

Slacks Callouses

Daniel F McAuley

Slacks Callouses:

Slacks and Calluses Constance Bowman,2004-10-17 In 1943 two spirited young teachers decided to do their part for the war effort by spending their summer vacation working the swing shift on a B 24 production line at a San Diego bomber plant Entering a male dominated realm of welding torches and bomb bays they learned to use tools that they had never seen before live with aluminum shavings in their hair and get along with supervisors and coworkers from all walks of life They also learned that wearing their factory slacks on the street caused men to treat them in a way for which their dignified schoolteacher hood hadn t prepared them At times charming hilarious and incredibly perceptive Slacks and Calluses brings into focus an overlooked part of the war effort one that forever changed the way the women were viewed in America

American Women and Flight since 1940 Deborah G. Douglas,2021-05-11 Individual women s stories enliven almost every page of this comprehensive illustrated reference now updated from the National Air and Space Museum Technology and Culture Women run wind tunnel experiments direct air traffic and fabricate airplanes American women have been involved with flight from the beginning But until 1940 most people believed women could not fly that Amelia Earhart was an exception to the rule World War II changed everything It is on the record that women can fly as well as men stated General Henry H Arnold commanding general of the Army Air Forces Then the question became Should women fly Deborah G Douglas tells the story of this ongoing debate and its impact on American history From Jackie Cochran whose perseverance led to the formation of the Women s Army Service Pilots WASP during World War II to the more recent achievements of Jeannie Flynn the Air Force s first woman fighter pilot and Eileen Collins NASA s first woman shuttle commander Douglas introduces a host of determined women who overcame prejudice and became military fliers airline pilots and air and space engineers Not forgotten are stories of flight attendants air traffic controllers and mechanics American Women and Flight since 1940 is a revised and expanded edition of a Smithsonian National Air and Space Museum reference work Long considered the single best reference work in the field this new edition contains extensive new illustrations and a comprehensive bibliography

Mobilizing Women for War Leila J. Rupp,2015-03-08 To discover how war can affect the status of women in industrial countries Leila Rupp examines mobilization propaganda directed at women in Nazi Germany and the United States Her book explores the relationship between ideology and policy challenging the idea that wars improve the status of women by bringing them into new areas of activity Using fresh sources for both Germany and the United States Professor Rupp considers the images of women before and during the war the role of propaganda in securing their support and the ideal of feminine behavior in each country Her analysis shows that propaganda was more intensive in the United States than in Germany and that it figured in the success of American mobilization and the failure of the German campaign to enlist women s participation The most important function of propaganda however consisted in adapting popular conceptions to economic need The author finds that public images of women can adjust to wartime priorities without threatening traditional

assumptions about social roles The mode of adaptation she suggests helps to explain the lack of change in women's status in postwar society Far reaching in its implications for feminist studies this book offers a new and fruitful approach to the social economic and political history of Germany and the United States Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

American Women During World War II Doris Weatherford,2009-10-16 American Women during World War II documents the lives and stories of women who contributed directly to the war effort via official and semi official military organizations as well as the millions of women who worked in civilian defense industries ranging from aircraft maintenance to munitions manufacturing and much more It also illuminates how the war changed the lives of women in more traditional home front roles All women had to cope with rationing of basic household goods and most women volunteered in war related programs Other entries discuss institutional change as the war affected every aspect of life including as schools hospitals and even religion American Women during World War II provides a handy one volume collection of information and images suitable for any public or professional library LIFE ,1948-11-08 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **We Are a College at War** Mary Weak-Baxter,Christine Bruun,Catherine Forslund,2010-08-23 We Are a College at War weaves together the individual World War II experiences of students and faculty at the all female Rockford College now Rockford University in Rockford Illinois to draw a broader picture of the role American women and college students played during this defining period in U S history It uses the Rockford community's letters speeches newspaper stories and personal recollections to demonstrate how American women during the Second World War claimed the right to be everywhere in factories and other traditionally male workplaces and even on the front lines and links their efforts to the rise of feminism and the fight for women's rights in the 1960s and 1970s **Sweetness**

Drowning, Callous Boss and Awkward Wife Qi Ni,2020-05-11 She looked at the test paper in his hand and heard the word abortion in his voice It stabbed deeply into her chest Could it be that three years of love was not worth a paper of diagnosis
