Slave To Her Desires:

Real Sex Mike Lousada, Louise Mazanti, PhD, 2017-05-30 The more modern culture shines its light on sex the longer the shadow it casts This shadow is commercialism pornography and shame This approach to sexuality distorts it to create performance pressure increasing numbers of sexual dysfunctions and a fundamental disconnect from ourselves and others Yet sexuality is one of the most important paths to happiness simply because it requires us to engage all the other aspects of ourselves To have deeply satisfying sex we must engage the mind the body and our feelings *Real Sex* will show you how almost everything that our society has tried to teach you about your sexuality is misleading or simply wrong *Real Sex* is a journey into the heart of your sexual self a way of creating meaningful and fulfilling intimacy It sets out seven keys that will teach you how to love and accept your mind body feelings desires and sexuality at a deeper level leaving behind feelings of guilt insecurity and shame *Real Sex* offers a new integrated idea of sexuality that holds a positive perspective of the sexual beings that we are longing for intimacy and aliveness that we know deep down makes our lives meaningful

Free Will, Responsibility, and Crime Ken M. Levy, 2019-08-28 In his book philosopher and law professor Ken Levy explains why he agrees with most people but not with most other philosophers about free will and responsibility Most people believe that we have both that is that our choices decisions and actions are neither determined nor undetermined but rather fully self determined By contrast most philosophers understand just how difficult it is to defend this metaphysical libertarian position So they tend to opt for two other theories responsibility skepticism which denies the very possibility of free will and responsibility and compatibilism which reduces free will and responsibility to properties that are compatible with determinism In opposition to both of these theories Levy explains how free will and responsibility are indeed metaphysically possible But he also cautions against the dogma that metaphysical libertarianism is actually true a widespread belief that continues to cause serious social political and legal harms Levy's book presents a crisp tight historically informed discussion with fresh clarity insight and originality It will become one of the definitive resources for students academics and general readers in this critical intersection among metaphysics ethics and criminal law Key features Presents a unique qualified defense of metaphysical libertarianism the idea that our choices decisions and actions can be fully self determined Written clearly accessibly and with minimal jargon rare for a book on the very difficult issues of free will and responsibility Seamlessly connects philosophical legal psychological and political issues Will be provocative and insightful for professional philosophers students and non philosophers

Disney and the Dialectic of Desire Joseph Zornado, 2017-10-18 This book analyzes Walt Disney's impact on entertainment new media and consumer culture in terms of a materialist psychoanalytic approach to fantasy The study opens with a taxonomy of narrative fantasy along with a discussion of fantasy as a key concept within psychoanalytic discourse Zornado reads Disney's full length animated features of the golden era as symbolic responses to cultural and personal catastrophe and presents Disneyland as a monument to Disney fantasy and one man's

singular perverse desire What follows after is a discussion of the second golden age of Disney and the rise of Pixar Animation as neoliberal nostalgia in crisis The study ends with a reading of George Lucas as latter day Disney and Star Wars as Disney fantasy This study should appeal to film and media studies college undergraduates graduates students and scholars

interested in Disney **Approaches to Teaching Jacobs's Incidents in the Life of a Slave Girl** Lynn Domina,2024-07-13

One of the most commonly taught slave narratives Harriet Jacobs's *Incidents in the Life of a Slave Girl* is rightly celebrated for its progressive and distinctive appeals to dismantle the dehumanizing system of American slavery Depicting the abuse Jacobs experienced her years in hiding and her escape to the North the work evokes sympathy for Jacobs as a woman and a mother Today it continues to inform readers about gender and sexuality power and justice and Black identity in the United States Part 1 of this volume Materials discusses different editions of the work and suggests background readings The essays in part 2 Approaches explore Jacobs's literary techniques and influences drawing on autobiography theory medical humanities and theology among other perspectives Contributors also propose pairings with historical and recent literary works as well as teaching approaches involving visual arts geography archives digital humanities and service learning

Enslaved Women and the Art of Resistance in Antebellum America R. Harrison,2009-09-28 Draws on mid-seventeenth to nineteenth century slave narratives to describe oppression in the lives of enslaved African women Investigates pre colonial West and West Central African women's lives prior to European arrival to recover the cultural traditions and religious practices that helped enslaved women combat violence and oppression *Emancipatory Narratives & Enslaved Motherhood* Jane-Marie Collins,2023-04-15 Slaveryarchive Book Prize 2024 finalist *Emancipatory Narratives* second about the association of black female mobility with intimate inter racial relations third about the racialised and gendered routes to freed status and fourth about the legacies of West African female socio economic behaviours for modalities of family and freedom in nineteenth century Salvador da Bahia Brazil The central concern within the book is how African and African descendant women navigated enslaved motherhood and negotiated the divide between enslavement and freedom for themselves and their children The book is therefore organised around the subject position of the enslaved mother and the reproduction of her children in enslavement while the condition of enslaved motherhood is examined through overlapping historical praxis evidenced in nineteenth century Bahia contested freedom racialised mothering and competing maternal interests biological ritual surrogate The point at which these interests converged historically was it is argued a conflict over black female reproductive rights **Zofloya** Charlotte Dacre,1997-06-10 The protagonist of Charlotte Dacre's best known novel *Zofloya or the Moor* 1806 is unique in women's Gothic and Romantic literature and has more in common with the heroines of Sade or M G Lewis than with those of Ann Radcliffe Charlotte Smith or Jane Austen No heroine of Radcliffe or Austen could exult as Victoria does in this novel that there is certainly a pleasure in the infliction of prolonged torment The sexual desires and ambition of Dacre's protagonist Victoria drive her to seduce torture and murder Victoria is inspired to

greater criminal and illicit acts by a seductive Lucifer disguised as a Moor before she too is plunged into an abyss by her demon lover The text's unusual evocations of the female body and feminine subject are of particular interest in the context of the history of sexuality and of the body after embarking on a series of violent crimes Victoria's body actually begins to grow stronger and decidedly more masculine Among the documents included as appendices to this volume are a selection of Dacre's poetry and excerpts from Bienville's Nymphomania a medical treatise of the time aimed at a lay audience that focuses largely on the dangerous powers of women's imagination inspired by improper novels it is alleged that women may plunge into madness violence and death much as does the protagonist of Zofloya herself

Reports of Cases Argued and Determined in the Supreme Court of Alabama Alabama. Supreme Court, 1907 *Foundations of Freedom* Simon R.

Clarke, 2012 What makes individual freedom valuable People have always believed in freedom have sought it and have sometimes fought and died for it The belief that it is something to be valued is widespread But does this belief have a rational foundation This book examines answers to these questions that are based on the welfare of the person whose freedom is at stake There are various conceptions of a worthwhile life a life that is valuable for the person whose life it is These conceptions will be examined to see whether they are plausible and what their connection if any is to freedom Are they compelling foundations for freedom Does freedom make a person's life better or would his/her welfare be advanced by restricting freedom

A Slave's Quest S.L. Kliever, Joe Rufus is a slave girl disguised as a boy for her own safety After her father is unjustly accused of attempted murder and sentenced to hang life goes from bad to worse With a hunger for revenge Joe sets out on a quest to find the princess and rightful heir to the throne and to help rid the country of Exmoor of The Gazers But before she can start on this quest she must first escape slavery Will the outlaws help her Where has the princess been hiding all these years And where is the missing church minister Father Abner

Engaging Tradition, Making It New Stephanie Brown, Éva Tettenborn, 2020-12-15 Engaging Tradition Making It New offers a rich collection of fresh scholarly and pedagogical approaches to new African American literature Organized around the theme of transgression the collection focuses on those writers who challenge the reading habits and expectations of students and instructors whether by engaging themes and literary forms not usually associated with African American literature or by departing from traditional modes of approaching historical social or legal struggles Each chapter offers a specific reading of a particular novel memoir or poetry collection sometimes in concert with a second related text and suggests both a useful critical context and one or more pedagogical approaches Engaging Tradition Making It New points the way toward exciting new methods of teaching and researching authors in this dynamic field
