The Killing Cards:

The Killing Cards Lou Campanozzi, 2001-11 **52+ New Card Games** Kenneth P Langer, 2017-11-20 Somewhere in your house tucked away in some dark dusty drawer you probably have a deck of standard playing cards You may have used them to play Poker or Bridge and thought that was all they were good for but that is true no longer In this book are the directions and rules for more than 52 new and original card games Why spend loads of money on specially printed card sets that are designed for only one game when you can use those old cards to play a wide variety of new games Take a break from the electronics gather the family and friends together and try out some new and exciting card games *The Playing Card Killer* Russell James, 2019-02-14 A masterfully crafted horrifically powerful story Expect the unexpected in this deliciously twisted tale Cemetery Dance Brian Sheridan may be losing his mind Asleep he s plagued by dreams of murder women strangled with a red velvet rope then left with a playing card tucked in the corpse While awake he s hallucinating that he s being stalked by a man painted like a skeleton It s getting hard to know what s real He hopes all this is driven by his cold turkey withdrawal from a lifetime of anti anxiety medications But when one of his nightmare s victims shows up on the news dead Brian fears he himself may be the unwitting killer FLAME TREE PRESS is the new fiction imprint of Flame Tree Publishing Launching in 2018 the list brings together brilliant new authors and the more established the award winners and exciting original voices *The Cards* Mike Combs, 2013-06-27 this story set in the tourist belt of Upper and Lower Michigan will set chills down your spine and make the hairs on your neck stand up When a rash of brutal murders around his hometown include his best friends family Mitch Armstrong and his partner Wendy Allstott become involved in their most intricate case ever Why are the victims being killed To what end are these ruthless killers willing to go Mitch and Wendy have to match wits with evil on many levels to solve this case and make their hometown safe again **The Killing Game** Gary Webb, 2011-01-04 Gary Webb had an inborn journalistic tendency to track down corruption and expose it For over thirty four years he wrote stories about corruption from county state and federal levels He had an almost magnetic effect to these kinds of stories and it was almost as if the stories found him It was his gift and ultimately it was his downfall He was best known for his story Dark Alliance written for the San Jose Mercury News in 1996 In it Webb linked the CIA to the crack cocaine epidemic in Los Angeles during the Iran Contra scandal His only published book Dark Alliance is still a classic of contemporary journalism But his life consisted of much more than this one story and The Killing Game is a collection of his best investigative stories from his beginning at the Kentucky Post to his end at the Sacramento News Review It includes Webb s series at the Kentucky Post on organized crime in the coal industry at the Cleveland Plain Dealer on Ohio State s negligent medical board and on the US military s funding of first person shooter video games The Killing Game is a dedication to his life s work outside of Dark Alliance and it s an exhibition of investigative journalism in its truest form Practical Mental Magic Theodore Annemann, 2012-04-27 Outstanding collection of nearly 200 crowd pleasing mental
