The Kindness Of Doctor Avicenna:

The Kindness of Doctor Avicenna John Pearson, 2013-04-22 Moreton is the representative in Rome for a London insurance broker who deals at Lloyds of London From the author of *All the Money in the World* now a major motion picture directed by Ridley Scott comes an exciting intricate and funny novel about a ransom gone wrong Moreton's troubles begin with the appearance of Dr Avicenna Some instinct of self preservation should have warned me against Dr Avicenna from the start how many times since have I cursed myself for getting so easily so light heartedly involved with him Avicenna's proposal is for a gigantic insurance policy on a dissolute Italian prince to include a clause insuring the prince against a kidnap ransom The subsequent events are marvelously exciting intricate and funny

The Private Lives of Winston Churchill John Pearson, 2011-12-01 The first major biography of Winston Churchill to focus on his inner life and psychology An extraordinary biography Pearson has a sensitive pen matching the wit of his subject and shows perceptive intuition towards the delicate relationships between the members of the Churchill family and their assorted spouses and lovers International Journal on World Peace He was a lion of a man who helped shape the course of this century with his relentless ambition and fierce political instincts Few have matched Winston Churchill's cunning or force of will Few have seen the equal of his audacity on the battlefield or the determination with which he strove toward his own ideal of greatness At the height of his power he seemed to embody the ideals of the empire he helped sustain valor pride and above all tradition His sense of personal destiny was rooted deeply in the legacy of his birth right the heritage of his family and the awesome responsibility of being born Churchill In *The Private Lives of Winston Churchill* first published in 1991 John Pearson takes us behind the myth of Churchill and deep into the psychology of a dynasty that some have called the most complicated Anglo American family of this century In doing so he reveals in rich portraits some of the family's greatest most charismatic and most deeply troubled members and shows us the real private Winston Churchill

All the Money in the World John Pearson, 2011-12-01

Inspired by the most infamous incident involving the Getty family now a major film directed by Ridley Scott starring Mark Wahlberg Michelle Williams and Oscar Nominee Christopher Plummer Oil tycoon J Paul Getty created the greatest fortune in America and came close to destroying his own family in the process Of his four sons who reached manhood only one survived relatively unscathed One killed himself one became a drug addicted recluse and the third had to bear the stigma all his life of being disinherited in childhood The unhappiness continued into the next generation with the name Getty as one journalist put it becoming synonymous for family dysfunction Getty's once favourite grandson John Paul Getty III was kidnapped by the Italian mafia who cut off his ear to raise a ransom and after a lifetime of drink and drugs became a paraplegic His granddaughter Aileen has AIDS And the Getty family itself has been torn apart by litigation over their poisoned inheritance But did the disaster have to happen John Pearson who has specialized in biographies of families as varied as the Churchills

the British Royal Family the Devonshires and the Krays sets out to find the answer The result first published in 1995 is a fascinating saga of an extraordinary dynasty He traces much of the trouble to the bizarre character of the avaricious sex obsessed billionaire J Paul Getty himself and demonstrates how much of his behaviour has been repeated in succeeding generations He describes the famous kidnapping of his grandson in graphic detail revealing how the old man s attitude added considerably to the boy s sufferings And he shows how the family has coped with the latest modern scourges drugs and AIDS For All the Money in the World is not a hopeless story While some of the family have been damaged by the Getty legacy others have saved themselves from disaster most notably the cricket loving philanthropist J Paul Getty Jr Pearson s moving story of his recovery from drugs and deep personal tragedy shows that there is hope for future generations of this stricken family and demonstrates that money can be used to buy survival and even happiness **Biggles** John Pearson,2011-12-01 From the author of All the Money in the World now a major motion picture directed by Ridley Scott comes the fictional biography of the mystical and fearless ace James Biggles Worth For over fifty years James Biggles Worth D S O D F C M C has flown the skies in everything from Sop with Camels to the earliest jets he emerged with glory from devilish scrapes all over the world Yet until now Biggles has often been seen as a storybook caricature A dashed fine chap certainly but not the extraordinary man he really was Here for the first time is an insight into the real man who made these adventures possible In Biggles his fictional biography first published in 1978 John Pearson has unraveled the missing strands in Biggles life delving vigorously into subjects that were once taboo Why did Biggles never marry What was the truth about his tragic first love And what were Biggles real regrets and frustrations as he tried to come to terms with a rapidly developing world in peacetime The truth so long hidden behind a stiff upper lip and an equally stiff pink gin in the Officers Mess is at last revealed *The Bookseller* ,1982 **The Publishers Weekly** ,1982 **A Year Amongst The Persians** Edward Granville Browne,2013-10-28 First published in 1893 this is one of the great classics of travel Going far beyond the record of a journey it gives lively and entrancing descriptions of Persia and its people and is an infallible guide to modern Persian literature and thought Written with tremendous enthusiasm by the greatest exponent of Persian life and letters of his day it is a fascinating and instructive work Henry of Ghent W. Vanhamel,1996 Ancient and Medieval Philosophy Series 1 No 36 Henry of Ghent stands out as a leading thinker together with Thomas Aquinas and Bonaventure of the second half of the thirteenth century His rich and multifaceted thought influenced many different traditions he has been seen as an eclectic This book elucidates Henry of Ghent s philosophical and theological system with special reference to his Trinitarian writings It also shows how Henry d 1293 the most influential theologian of his day in Paris developed the Augustinian tradition in response to the Aristotelian tradition of Aquinas
