Perfect for those who love DK Holmberg Philip C Quaintrell and Christopher Mitchell **Rhapsody on a Film by Kurosawa** Leonard Ginsberg, 2008 One of Akira Kurosawa's most popular films *Yojimbo* 1961 tells the story of a vagrant samurai who outsmarts two gangs warring to control a small town in mid 19th century Japan This plot a lone hero who challenges both potent rivals struggling to control a place has proved remarkably adaptable Recent film settings include the American southwest New York the coast of Ireland Viking Iceland and outer space The rivals include drug dealers police witches and seals the hero a hit man a psychopath a senior orphan These films track the basic plot or veer off in unexpected directions They provide an evening's delight or arouse enduring intellectual engagement with a wide variety of disciplines *Rhapsody on a Film by Kurosawa* explores this cultural complex Films discussed include *American Beauty* 1999 *Donnie Darko* 2001 *The King of Masks* 1996 *Memento* 2000 *Ponette* 1996 *Requiem for a Dream* 2000 *Seven* 1995 and *The Witches* 1990 Other sections discuss possible origins of the plot in the work of Dashiell Hammett and Shakespeare a *Yojimbo* hero who emerged in the final days of the Tokugawa Shogunate and the relation of *Yojimbo* to Kurosawa's cinematic career *Rhapsody on a Film by Kurosawa* is the author's first book **The Masks of King Lear** Marvin Rosenberg, 1992 *LEAR* Does Lear walk thus Speak thus Who is it that can tell me who I am Centuries of critics and actors have tried to tell but Lear's identity and the meaning of his action in the play are still touched with enigma This book seeks Shakespeare's intentions in *King Lear* in new ways It explores major interpretations of distinguished actors and directors as well as of critics from England the United States France Belgium Japan Sweden Norway Germany Italy the Soviet Union Czechoslovakia Romania Hungary Bulgaria and Poland Is the play unsuited for the stage as Charles Lamb and others have declared How in fact has it been staged and how visualized by critics Is Lear designed to be a frail and aging old man A powerful image of authority Mad or senile to begin with A kindly old father Everyman All of these None Does the play end with redemption Unmitigated despair Is it Christian Pagan Mr Rosenberg confronts these and other questions from the base of his study and personal

experience of the play To deepen the theatrical side of that experience he began as he did in his *The Masks of Othello* with an involvement in the staged play he directed and acted in *Othello* and he followed a production of *King Lear* through two months of rehearsal and performance One by product of this intense participation was a discovery of some special qualities in the language of the play To achieve a better understanding of these qualities Mr Rosenberg put *Lear* s vocabulary through a computer and established a concordance of every word both for the play as a whole and for each character Interesting structural elements in Shakespeare s language become apparent Recognizing the difficulty for a critic of responding afresh to Shakespeare s craftsmanship in characterization and in arousing expectation Mr Rosenberg also arranged to expose the play to spectators who had never seen or read it The response of this naive audience after attending performances was curious and illuminating The author believes that any critical approach must be used that will increase our understanding of Shakespeare s work

Masks in the Mirror Norman Toby Simms,2006 Sephardic Jews who voluntarily or forcibly converted to Catholicism in the fifteenth and sixteenth centuries to avoid persecution or expulsion were known as conversos or New Christians Some tried to live the double life of a Crypto Jew outwardly embracing Christianity while secretly maintaining Jewish practices Others were in a state that was neither Jewish nor Christian and as painful and humiliating as it was these Marranos a term for conversos that became abusive actually created a new kind of modern personality By tracing the usage of this disparaging term *Masks in the Mirror* also explores the nature of the historical circumstances as it becomes evident that anyone living under these circumstances constantly threatened and persecuted by the Inquisition and suspected of being heretics and untrustworthy by their Christian colleagues and neighbors could be driven to a state of madness Focusing on families and childrearing this book attempts to grasp the structures of feeling that created such madness which while debilitating could often be creative and exciting especially among poets playwrights and novelists It looks at the play of masks the secrecy and the illusion that Marranos experienced daily which some attempted to exorcise in their writings and it explores the possibility of applying the concept of Marranism generically
