The Knesset Parliament In The Israeli Political System:

The Knesset Gregory S. Mahler, 1981 A study of the Knesset based on a series of interviews with members of the Eighth Knesset 1973-77 this book is a revealing picture of the Israeli political system and the individuals who work within it **The Handbook of Israel's Political System** Itzhak Galnoor, Dana Blander, 2018-04-30 There is growing interest in Israel's political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre-state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel's Arab citizens and economic inequities with concomitant social gaps and the contours of the political culture and its impact on Israel's democracy The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel *Politics and Government in Israel* Gregory S. Mahler, 2016-03-03 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place He makes special note of Israel's geopolitical situation of sharing borders with and being proximate to several hostile Arab nations The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting behavior and the machinery of government Mahler also considers Israel's foreign policy setting and apparatus the Palestinians and the Israeli-Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today **Politics and Government in Israel, Fourth Edition** Gregory S. Mahler, Reuven Y. Hazan, 2024-12-01 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history authors Gregory S. Mahler and Reuven Y. Hazan examine the social religious economic cultural and military contexts within which Israeli politics takes place They explain the operation of political institutions and behavior in domestic politics such as the constitutional system parliamentary government and the executive legislative and judicial machinery of government including discussion of elections and voting political parties and civil society and democracy in Israel Finally Israel's foreign policy setting and apparatus are considered as well as the challenges faced by the Palestinians in Israel and the peace process between Israel and its neighbors Clear and concise *Politics and Government in Israel* provides an

invaluable starting point for all readers needing a cogent introduction to Israel today **Israel** Edgar S. Marshall, 2002 There has probably never been a country in the history of the world like Israel the homeland for Jews from all around the world a visceral enemy of Arab countries called a client state of the United States a developed country in its own right by its own hands Israel has seen many events since its founding in 1948 but peace it has not found The book examines current issues swirling about Israel as well as presents the historical background necessary for grasping its place in the world today

The Jewish State Alan Dowty, 2001-06 The one intelligent overview of Israeli politics that addresses the paradox at the heart of Israeli statehood How can Israel be both a Jewish state and a democratic state The Oxford Handbook of Israeli Politics and Society Reuven Y. Hazan, Alan Dowty, Menachem Hofnung, Gideon Rahat, 2021 Few countries receive as much attention as Israel and are at the same time as misunderstood The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and international figures to offer the most wide ranging treatment available of an intriguing country It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country's history contemporary society political institutions international relations and most pressing political issues It outlines the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments **Studies in Contemporary Jewry: V: Israel: State and Society, 1948-1988** Peter Y. Medding, 1989-10-26 This volume critically examines the State of Israel forty years after its establishment It includes symposia articles and book reviews by major scholars of Jewish history from around the world **New Media, Politics and Society in Israel** Gideon Doron, Azi Lev-On, 2014-06-11 This book addresses the social and political landscape of Internet usage in Israel and studies the formation of a networked information society in the hi tech nation As Israel is considered a highly technologically developed country it could serve as a model to assess and compare the performance and prospects of the Internet in other countries as well Chapters address a range of issues including the diffusion of the Internet to Israel religion and the Internet in the Israeli Jewish context Internet based planned encounters between Israeli Jews and Palestinians and between Jews and Arabs in Israel online journalism and user generated content Israeli public relations online Internet usage by Israeli parliamentarians parties and candidates as well as audiences and the facilitation of personalized politics through personal sites of politicians This book was originally published as a special issue of Israel Affairs **Reforming Parliamentary Committees** Reuven Y. Hazan, 2001 Here Reuven Y Hazan argues that committees are essential for the efficient dispatch of parliamentary business and shows how several parliaments have recently reformed their committee systems to function more effectively In particular he gives an in depth knowledge and a broader

understanding of Israel's committees and how they compare with the committees of other legislatures throughout the world
