On a Knife's Edge Prit Buttar, 2018-10-18 Late 1942 saw the strategic situation on the Eastern Front change completely The encirclement of Paulus Sixth Army in Stalingrad trapped a significant portion of the Wehrmacht's combat forces in the ruins of the devastated city where they would ultimately die or be taken prisoner but at the same time the entire German position was left in a catastrophic state The year's campaign had seen the Germans advance first east but then

increasingly to the south and southeast the Soviet counter offensive not only isolated Sixth Army it also raised the possibility of the collapse of the entire front The ultimate failure of the Red Army to achieve this is due in no small part to the efforts of one of the Wehrmacht s greatest commanders Erich von Manstein who rebuilt the German front line and fought a mobile campaign in which all the strengths of the German forces and all the weaknesses of their Soviet opponents were revealed Written by one of the world s leading experts on the Eastern Front On a Knife s Edge is a story of brilliant generalship lost opportunities and survival in the harshest theatre of war **"One Hundred and One" Views of the Victoria Falls** Dr. Robert Zulu,2014-07-26 One hundred and one views of the Victoria Falls is a comprehensive guide to visiting the Victoria Falls It shows the reader places for the best views of the Victoria falls and can be used by those who have already visited the Falls to refresh good memories It gives a foretaste on where the best views of the falls can be seen The book may also be used to help the tourist select what views of the falls they want to see and reserve other view for a latter time Enjoy the book and the Falls *Immortal Diamond* Richard Rohr,2013-01-22 Dissolve the distractions of ego to find our authentic selves in God In his bestselling book Falling Upward Richard Rohr talked about ego or the False Self and how it gets in the way of spiritual maturity But if there s a False Self is there also a True Self What is it How is it found Why does it matter And what does it have to do with the spiritual journey This book likens True Self to a diamond buried deep within us formed under the intense pressure of our lives that must be searched for uncovered separated from all the debris of ego that surrounds it In a sense True Self must like Jesus be resurrected and that process is not resuscitation but transformation Shows how to navigate spiritually difficult terrain with clear vision and tools to uncover our True Selves Written by Father Richard Rohr the bestselling author of Falling Upward Examines the fundamental issues of who we are and helps us on our path of spiritual maturity *Immortal Diamond* whose title is taken from a line in a Gerard Manley Hopkins poem explores the deepest questions of identity spirituality and meaning in Richard Rohr s inimitable style Husserl and Heidegger on Human Experience Pierre Keller,1999-11-04 In this 1999 book Pierre Keller examines the distinctive contributions and the respective limitations of Husserl s and Heidegger s approach to fundamental elements of human experience He shows how their accounts of time meaning and personal identity are embedded in important alternative conceptions of how experience may be significant for us and discusses both how these conceptions are related to each other and how they fit into a wider philosophical context His sophisticated and accessible account of the phenomenological philosophy of Husserl and the existential phenomenology of Heidegger will be of wide interest to students and specialists in these areas while analytic philosophers of mind will be interested by the detailed parallels which he draws with a number of concerns of the analytic philosophical tradition
