Cruise]. Richard Cruise, 1861 **The Knowledge of Good and Evil** Joshua K. Hildebrandt, 2010-09 What is morally right and wrong differs from one individual to the next From the big issues of abortion and sexual expression to the life choices of integrity these differing opinions exist throughout human culture Who is right and who is wrong Is mankind fit to decide what is good and evil or is this decision too great a responsibility for us to handle As the moral fabric of the individual the family the nation and the world disintegrates we are faced with the dilemma Who really decides what is morally right and wrong In The Knowledge of Good and Evil Joshua K Hildebrandt takes us back to the beginning to a man and a woman and a tree in a garden to discover how this question can be answered and to show us the freedom that can be ours in laying down the right to choose **"The Tree of the Knowledge of Good and Evil."** Frederick Carl Eiselen, 1910 *Between Philosophy and Religion, Vol. II* Brayton Polka, 2007-02-01 In Between Philosophy and Religion Volumes I and II

Brayton Polka examines Spinoza's three major works on religion, politics and ethics in order to show that his thought is at once biblical and modern. Indeed, Polka argues that Spinoza is biblical only insofar as he is understood to be one of the great philosophers of modernity and that he is modern only when it is understood that he is unique in making the interpretation of the Bible central to philosophy and philosophy central to the interpretation of the Bible. This book and its companion volume are essential reading for any scholar of Spinoza. *The Collected Works of Witness Lee, 1954, volume 1*

Witness Lee, Brother Witness Lee traveled to Manila, Philippines at the beginning of 1954. On January 24 he began a seven-day perfecting conference with five special fellowships concerning the subject of pursuing the Lord. After this he initiated a service training that lasted for six months with four meetings per week. On Wednesday mornings he gave a Bible study of the Old Testament and on Wednesday evenings he gave a training on character including matters such as being the proper person handling affairs properly and doing the proper work. On Friday mornings he gave a training on being a minister of God's word and on Friday evenings he ministered on the proper way to meet. The number who attended these meetings varied between fifty-six and one hundred sixty. The study of the Old Testament and the training on character are included in volume 1 of the 1954 set along with other messages given in the same time period. Brother Lee left Manila in July and traveled to Hong Kong where he conducted ten meetings on life and twelve meetings on service plus four gospel meetings, four young people's meetings, six fellowships on service and six meetings for the full-time serving ones. These meetings were centered on the indwelling Christ and on the knowledge of spiritual service. They are included in volumes 1 and 2 of this set. Brother Lee left Hong Kong to return to Taiwan in the middle of August. At the end of August and the beginning of September, Brother Lee conducted a special conference in Taipei, Taiwan that consisted of ten meetings on the subject of spiritual reality with between one thousand six hundred and two thousand six hundred in attendance. These messages are included in the section entitled Spiritual Reality in volume 2 of this set. In the fall of 1954, Brother Lee began another extended training for serving ones like the one that he carried out in the fall of 1953. During this training he conducted a detailed study on Genesis, Exodus and Leviticus through Ezra. The messages given in this detailed study are included in volume 4 of this set. He also spoke further on the knowledge of life and the experience of life. These speakings and the speakings in the previous training in 1953 on the same subjects were combined to form the books *The Knowledge of Life* and *The Experience of Life*; see *The Collected Works of Witness Lee 1953 vol 3*. During this training he also released messages published in *Gospel Outlines* which are included in volume 3 of this set. *The Collected Works of Witness Lee 1954 volume 1* contains messages given by Brother Witness Lee on January 1 through August 12, 1954. Historical information concerning Brother Lee's travels and the content of his ministry in 1954 can be found in the general preface that appears at the beginning of this volume. The contents of this volume are divided into seven sections as follows:

1. Two messages given in Manila, Philippines on January 1 and 3. These messages are included in this volume under the title *The Significance and Application of the Burnt Offering*.
2. Eight messages given in

Manila Philippines on January 24 through 31 These messages are included in this volume under the title The Living and Service of the Burnt Offering 3 Twenty four messages given in Manila Philippines in February through July These messages are included in this volume under the title A Record of the Service Training in the Philippines 4 Thirteen messages given in Manila Philippines on February 7 through July 11 These messages are included in this volume under the title Messages Given in the Lord s Day Meetings in Manila 5 Six messages given in Manila Philippines in February and March These messages are included in this volume under the title The Building Up of the Character of the Lord s Serving Ones 6 Twenty two messages given in Manila Philippines in March through June These messages are included in this volume under the title A Record of a Bible Study on the Old Testament 7 Eight messages given in Hong Kong on July 16 through August 12 These messages are included in this volume under the title The Spiritual Knowledge Needed for Serving in the Church
