The Land And People Of Sierra Leone:

Lands and Peoples ,2005 The Land and People of Sierra Leone Mary Louise Clifford,1974 Introduces the geography history economy government culture and people of the West African coastal country possessing one of the world s best natural harbors **Background Notes, Sierra Leone** ,1986 **Human Security and Sierra Leone's Post-Conflict Development** Francis Wiafe-Amoako,2014-07-22 Achieving security and development in the post conflict era is a challenge with which stakeholders have to grapple While stakeholders are quick to claim success when physical hostilities cease between the belligerents ensuring sustainable peace has been a daunting task In some countries in Africa the post conflict era is characterized by organizing elections to ensure greater political participation It is believed that elections will begin a process of openness and trust in the governing system A supplement to electoral democracy has been power sharing arrangements used to resolve post election violence and ensure stability within the state However what underlie most conflicts in Africa is the marginalization and lack of an enabling environment to achieve individual life objectives Policies and strategies to achieve security and enhance development post conflict have at best been an extremely slow process and sometimes elusive In Sierra Leone for instance though the official declaration of the end of war and the successful general elections held in 2002 2007 and 2012 have led to some domestic stability developmental targets in the post conflict era have proceeded at a snail s pace The country continues to rank at the bottom of most UNDP human development indicators since 2002 Human Security and Sierra Leone s Post Conflict Development analyzes the extent to which human security issues have been addressed and subsequently implemented in the post conflict reconstruction process While Sierra Leone has made tremendous efforts at implementing reforms in the areas of political sensitization promotion of civil rights and civil liberties as well as personal security the lack on the part of the government to effectively address the unemployment problem has negatively affected security and developmental targets Thus the post conflict management strategies in Sierra Leone fail to secure and promote some aspects of human security leading to fragile peace and slow progress in achieving sustainable security and development Human security is an all encompassing phenomenon and must be addressed to achieve overall wellbeing of the people especially in post conflict environments *Sierra Leone* Bankole Kamara Taylor,2014-02 This work looks at Sierra Leone its people and history Other subjects are also covered to provide a general introduction to the country It is not intended for academic specialists and it is not an in depth study of the country It is written from the perspective of a layman or general reader who simply wants to know some important things about this West African country Sierra Leone is one of the oldest countries in Africa And before it won independence in 1961 it was also one of the oldest colonies on the continent Only two African countries won independence in 1961 both from the same colonial power Great Britain They were Sierra Leone on 27 April and Tanganyika on 9 December The history of Sierra Leone is also one of the most tragic But Sierra Leone still is one of the most fascinating countries on the continent in spite of the horrendous tragedy it went through during

the civil war in the 1990s The fact that it emerged intact from that brutal conflict is strong testimony to the resilience of the Sierra Leonean people against overwhelming odds which could have broken weaker souls **The Bulletin of the**

Southern Association of Africanists Southern Association of Africanists (U.S.),1976 Sierra Leone and its people and relations with the United States Bankole Kamara Taylor, The work is about Sierra Leone and its people and the country's relations with the United States since independence It is for the general reader and for students of Sierra Leone and Africa
