

The Last Angry Principal

Ken Auletta

The Last Angry Principal:

The Last Angry Principal Howard Lawrence Hurwitz, 1988 Dr Hurwitz uses his half century of experience in the schools to puncture the many balloons floated by reformers who know little about how schools should be run and whose alleged reforms would further ruin our faltering schools In *The Last Angry Principal* we have a great human interest story of a compassionate disciplinarian in a time of eroding standards When after decades of success his policies were repeatedly first endorsed and then reversed by weak superiors flip flopping in face of political pressure he demanded more uniform decision making he was dismissed A measure of his effectiveness may be that local parents barricaded him in his office setting the stage for a confrontation that made national headlines and coverage on CBS 60 Minutes program *The Last Angry Principal* is a book that you cannot afford to miss at a time when the educational crisis is seen as a top priority not only on Capitol Hill and by all of the nation s governors but every presidential candidate as well *New York Magazine* ,1976-05-03

New York Magazine was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Principal's Office* Kate Rousmaniere, 2013-09-17 *The Principal's Office* is the first historical examination of one of the most important figures in American education Originating as a head teacher in the nineteenth century and evolving into the role of contemporary educational leader the school principal has played a central part in the development of American public education A local leader who not only manages the daily needs of the school but also represents district and state officials the school principal is the connecting hinge between classroom practice and educational policy Kate Rousmaniere explores the cultural economic and political pressures that have impacted school leadership over time and considers professionalization the experiences of women and people of color and progressive community initiatives She discusses the intersections between the role of the school principal with larger movements for civil rights parental and community activism and education reform The school principal emerges as a dynamic character in the center of the educational enterprise ever maneuvering between multiple constituencies responding to technical and bureaucratic demands and enacting different leadership strategies By focusing on the historic development of school leadership this book provides insights into the possibilities of school improvement for contemporary school leaders and reformers *Hard Feelings* Ken Auletta, 2011-08-03 One of America s leading reporters collects his most important entertaining and enlightening articles explaining how and why he wrote them *Hard Feelings* represents more than five years of Ken Auletta s work for *The Village Voice* *New York Magazine* the *Daily News* *Esquire* and *The New Yorker* During that period he won a loyal following and established a reputation as the rare journalist who covers both politicians and the government He covered the news and made the news with his famous and

controversial New Yorker profile of Mayor Ed Koch and his startling expos of lawyer Roy Cohn in Esquire These pieces also display his versatility hard investigative reporting as well as precise thoughtful essays with subjects ranging from the ambitions of Ted Kennedy to the tribulations of Jimmy Carter the maneuvers of a local politician to the struggles of an embattled high school principal One of Auletta's chief concerns is the press itself how the former publisher of the New York Post managed the news how media expert David Garth manipulates it how Tom Brokaw became a victim of it and how passion for scandal and easy cynicism threaten it The postscripts he has written for this volume address many of the central issues of journalism A case in point is Auletta's own use of controversial taps revealing Mayor Ed Koch's private feelings about relations between blacks and Jews another is his examination of the questionable coverage of Nelson Rockefeller's death Does a public figure have a right to privacy Is there such a thing as too much press access To whom does the reporter owe allegiance What are the ethics of journalism In his stories and his second thoughts on them Ken Auletta offers a provocative analysis of how a reporter works views his profession and evaluates his achievements with intelligence and feeling hard feelings

The Principal's Principles David Robinson, 2015-08-18 Education is a right for all young people in the world yet quality and relevant education is still elusive Schools are searching for the perfect recipe for success in a rapidly changing world Principals are at the focal point of educational delivery which makes leading schools throughout the world one of the most stressful and challenging occupations It is a profession that requires many different life leadership and management skills Working with people is at best filled with drama and in addition principals lead schools crowded with impressionable and volatile children or teenagers with all their changing hormones peer pressure the stresses of society and the challenges emanating from their complex family structures Teachers are facing huge challenges in the classroom that force heads of schools to give more supportive and constructive leadership Creating the perfect balance between discipline compassion maintaining academic standards and a relevant academic path for students all while leading a motivated and skilled staff of teachers is a mammoth task for any individual This book is a guide to the challenges facing a principal and the skills needed to navigate a school to success

New York Magazine, 1976-05-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The High School Principal as Administrator, Supervisor, and Director of Extracurricular Activities Alexander Crippen Roberts, Edgar Marian Draper, 1927 *Reports of the Inspectors of Factories to Her Majesty's Principal Secretary of State for the Home Department ...* Great Britain. Factory Department, 1872

Resources in Education, 1990 *The Lives of the Fathers, Martyrs, and Other Principal Saints. January, February, March* Alban Butler, 2023-08-22 In *The Lives of the Fathers Martyrs and Other Principal Saints* January February March

Alban Butler presents a meticulously researched compilation of hagiographies that delve into the lives of significant Christian figures from the early Church martyrs and saints whose legacies shaped Catholic tradition. Written in an engaging and reverent style typical of 18th century devotional literature, Butler's work combines historical detail with spiritual reflection. The book serves not only as a devotional text but also as a crucial record of early Christian faith and martyrdom, contextualizing each figure within the socio-political milieu of their time.

Alban Butler, an English priest and hagiographer, was deeply influenced by the Counter Reformation and the Catholic revival in England. His passion for uncovering the stories of saints was propelled by his desire to inspire devotion and resilience among believers in a time of religious turmoil. Butler's dedication to this work reflects his own struggles and aspirations for spiritual renewal in the Church, offering rich insights into the faith and virtues of those he profiles.

This work is highly recommended for those interested in ecclesiastical history, hagiography, or seeking spiritual encouragement. Butler's vivid portrayals and thorough research will resonate with readers as they explore the depths of faith represented in the lives of these exemplary saints.

In this enriched edition, we have carefully created added value for your reading experience. A succinct Introduction situates the work's timeless appeal and themes. The Synopsis outlines the central plot, highlighting key developments without spoiling critical twists. A detailed Historical Context immerses you in the era's events and influences that shaped the writing. A thorough Analysis dissects symbols, motifs, and character arcs to unearth underlying meanings. Reflection questions prompt you to engage personally with the work's messages, connecting them to modern life. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Last Angry Principal eBooks, including some popular titles.

FAQs About The Last Angry Principal Books

What is a The Last Angry Principal PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Last Angry Principal PDF?** There are several ways to create a PDF: Use software like

Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Last Angry Principal PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Last Angry Principal PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Last Angry Principal PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
