The Last Great Love:

One Great Love Gina Azzi, 2020-02-11 Four years ago Lachlan Begay moved to London and broke my heart Despite my best efforts I never truly moved on Every time Lach visits Scotland we fall back into old patterns that result in new hurts My hurts Now my heart is breaking for a different reason Preparing my nanna's final Valentine's Day gala at our family farm the last person I need twisting my emotions is Lachlan But here he is setting me on fire with a single glance This time he swears he's mine This time he promises me a future This time he says all the words I've been waiting years to hear The only problem I don't believe him

The Last Great War Adrian Gregory, 2008-10-16 What was it that the British people believed they were fighting for in 1914-18 This compelling history of the British home front during the First World War offers an entirely new account of how British society understood and endured the war Drawing on official archives memoirs diaries and letters Adrian Gregory sheds new light on the public reaction to the war examining the role of propaganda and rumour in fostering patriotism and hatred of the enemy He shows the importance of the ethic of volunteerism and the rhetoric of sacrifice in debates over where the burdens of war should fall as well as the influence of religious ideas on wartime culture As the war drew to a climax and tensions about the distribution of sacrifices threatened to tear society apart he shows how victory and the processes of commemoration helped create a fiction of a society united in grief

Nacozy, 2001-05-31 This tale is about three men whose lives have paralleled and intertwined over the decades from childhood to manhood to past middle age. They had been fighters. All of them had had a penchant for violence and had chased the glory and high voltage of the boxing ring. They had challenged themselves to their very limits and perhaps beyond. It is the chronicle of three boys growing up rough and lustful, accumulating the physical and psychic scars of their rather reckless actions both in and out of the ring. The powerful main women in the book are the romantic essence of the narrative. Without their erotic entanglements, the entire tale would have missed an important dimension of fun and sensuality. Each of the main characters ultimately searches out the sea in an attempt to escape the disappointments of ordinary life by challenging their souls over the existential battlefields of their own choosing.
