The Making of the Last Prophet Gordon Darnell Newby, 2022-11-23 The sacred biography of Muhammad has shaped Muslims' perceptions of the place of Islam in the religious history of the world and located the Islamic founder and prophet as the last of God's messengers As Muslims established political control over ancient Jewish and Christian communities they also claimed hegemony over the panorama of biblical prophets and holy men In the eighth century the author of the first complete biography of Muhammad set out a plan for a history of the world that culminated with the advent of Muhammad and the religion of Islam The biography not only gave the details of Muhammad's life but also retold the stories of past prophets from an Islamic perspective The Making of the Last Prophet is an examination of the reshaping and retelling of the biblical past to form the image of Muhammad as the Seal of the prophets of God Through a translation of the reconstructed Arabic text the sources the form and uses of the eighth century biography are examined for the ways in which attitudes toward Muhammad were shaped in early Islam The

work particularly underscores the interplay of Jewish Christian and other Near Eastern religious ideals in the formation of Islam's notions of prophethood **Ezra, the last Prophet; or, the vision of the great twelve-winged, three-headed Eagle, with twenty Imperial feathers, fulfilled, etc** Rev. Thomas INMAN (of Witham.), 1864 **The Voice of the Last Prophet. A Practical Interpretation of the Apocalypse** Edward Huntingford, 1858 **Maestro. Jean Baudrillard. The Last Prophet of Europe** Dr. Oleg Maltsev, Jean Baudrillard is characterized as the Last Prophet of Europe not just because he was a prominent thinker French philosopher and author of more than 50 works and essays that examine modern consumer society in depth Events and phenomena described by Baudrillard in his works 20-30 years ago are taking place today By means of his writings he described his view of the world and explained why people and society are the way they are He encrypted in his works a system that allows for making accurate prognosis There was no book until this that could have demonstrated the integral system of Baudrillard's philosophy Baudrillard did not share it with anybody and did not describe it explicitly as a whole Figuratively speaking he deconstructed his system into bricks his writings then built a building out of them numbered each brick and dismantled the building and burned the schemes In the book Baudrillard Maestro The Last Prophet of Europe Oleg Maltsev thoroughly analyzes each brick and constructs Baudrillard's system presenting to readers for the first time a complete model the tools used by Baudrillard and his philosophy Throughout the 16 chapters of this book the author looks into all kinds of subjects raised by Baudrillard with practical examples among which the masses the kingdom of the blind the silent majority perfect crime European mysticism the symbolic system and many other phenomena are examined from the viewpoint of the scholar The author also shares his research results based on the philosophy and sociology of Baudrillard Dr Maltsev then examines Jean Baudrillard's works some of which had been translated into Russian for the first time his photographic pieces and interviews people who personally knew Baudrillard his critics and fellow researchers This work is a practical book for modern people who want to have an objective view of the current state of affairs and take responsibility for their present and future It provides an idea for the use of the philosophy sociology and radical anthropology of Baudrillard as the foundation of personal achievement efficiency and safety in such unstable and uncertain conditions of a constantly changing environment
