The Last Voyage Of Captain James Cook

James Cook

The Last Voyage Of Captain James Cook:

The Last Voyage of Captain James Cook Richard Hough, 1979 Recreates in detail Captain Cook's third and last great voyage of discovery delineating the paradoxical characters of the officers of the two ships many exotic ports of call and the series of mishaps follies and misunderstandings that led to Cook's murder **The Last Voyage** Hammond Innes, 1978

Imagined diary of Cook's last voyage 1776-1779 as he might have written it During the voyage the coast of British Columbia and Alaska were explored **Journal of Captain James Cook's Last Voyage to the Pacific Ocean** James Cook, 1781

A Journal of Captain Cook's Last Voyage Discovery Books LLC, 2017-06-06 Lined Journal Hand Made in Italy Rich embossed cover reproducing the title page from A Journal of Captain Cook's Last Voyage Soft simulated leather cover Color Light Grey Cover Design A journal describing Captain James Cook's third and final voyage to the Pacific ocean in the years 1776 to 1799 Cook never made it home from this journey but was killed by natives in the islands of Hawaii Captain Cook's Final Voyage James K. Barnett, 2020-10-14 Maritime historian and researcher James K Barnett transcribed two extraordinary little known journals from Captain James Cook's third exploratory voyage They offer remarkable eyewitness accounts at the time of initial European contact the first reasonably accurate maps of North America's west coast the earliest comprehensive report from the Bering Sea ice pack and the dramatic story of Cook's death at Kealahou Bay Astonishing for accounts of landings along Hawaii i Vancouver Island and Alaska both chronicles languished in Australian archives for over a century Barnett adds context and commentary to complete the story Commissioned by the British Admiralty Cook set sail in July 1776 to confirm the outline of North America's Pacific coastline and search for the elusive Northwest Passage The expedition's sailing ships the Resolution and the Discovery traveled to the South Seas then chanced upon the Hawaiian Islands before reaching the Oregon coastline and the Arctic Cook chose to winter in the Hawaiian archipelago where he died in a skirmish His crews made a second attempt to find the coveted route then returned to England after more than four years at sea James Burney was first lieutenant on the Discovery Active in shore parties and chart preparation he saw Cook's death from the ship's deck One of the few accounts from the consort vessel his writing provides new details and important thoughtful impressions of North and South Pacific people and places Working under the notorious William Bligh Henry Roberts was Master's Mate on the Resolution performing essential hydrographic and cartographic tasks He was a few feet away when Cook was killed His well illustrated logbook includes coordinates tables of routes and records of weather at sea but also lively accounts of shore excursions Illustrations include maps and drawings as well as images by the expedition's official artist John Webber The Wide Wide Sea Hampton Sides, 2024-04-09 NEW YORK TIMES BESTSELLER A thrilling and superbly crafted The Wall Street Journal account of the most momentous voyage of the Age of Exploration which culminated in Captain James Cook's death in Hawaii and left a complex and controversial legacy still debated to this day One of The New York Times Book Review's 10 Best Books of the Year A BEST BOOK OF THE YEAR THE NEW YORK TIMES TIME

THE ECONOMIST NPR THE NEW YORKER THE SMITHSONIAN AND KIRKUS REVIEWS In this masterly history Sides tracks the 18th century English naval officer James Cook's third and final voyage across the globe painting a vivid and propulsive portrait The New York Times Book Review On July 12th 1776 Captain James Cook already lionized as the greatest explorer in British history set off on his third voyage in his ship the HMS Resolution Two and a half years later on a beach on the island of Hawaii Cook was killed in a conflict with native Hawaiians How did Cook who was unique among captains for his respect for Indigenous peoples and cultures come to that fatal moment Hampton Sides' bravura account of Cook's last journey both wrestles with Cook's legacy and provides a thrilling narrative of the titanic efforts and continual danger that characterized exploration in the 1700s Cook was renowned for his peerless seamanship his humane leadership and his dedication to science On previous expeditions Cook mapped huge swaths of the Pacific including the east coast of Australia and initiated first European contact with numerous peoples He treated his crew well and endeavored to learn about the societies he encountered with curiosity and without judgment Yet something was different on this last voyage Cook became mercurial resorting to the lash to enforce discipline and led his two vessels into danger time and again Uncharacteristically he ordered violent retaliation for perceived theft on the part of native peoples This may have had something to do with his secret orders which were to chart and claim lands before Britain's imperial rivals could and to discover the fabled Northwest Passage Whatever Cook's intentions his scientific efforts were the sharp edge of the colonial sword and the ultimate effects of first contact were catastrophic for Indigenous people around the world The tensions between Cook's overt and covert missions came to a head on the shores of Hawaii His first landing there was harmonious but when Cook returned after mapping the coast of the Pacific Northwest and Alaska his exploitative treatment of the Hawaiians led to the fatal encounter At once a ferociously paced story of adventure on the high seas and a searching examination of the complexities and consequences of the Age of Exploration THE WIDE WIDE SEA is a major work from one of our finest narrative nonfiction writers

Journal of Captain Cook's Last Voyage to the Pacific Ocean, on Discovery; performed in the years 1776, 1777, 1778, 1779, illustrated with cuts and a chart, etc. [By John Rickman.] James Cook, 1781 Captain James Cook, 1728-1928

Francis Edwards (Firm), 1929 Sale catalogue of books pictorial and manuscript materials on Cook **John Ledyard's**

Journal of Captain Cook's Last Voyage John Ledyard, 2012-07-01 Additional Contributors Are Helen M Gilkey And Robert M Storm Oregon State Monographs Studies In History Number 3 *The Third and Last Voyage of Captain Cook* James Cook, 1800
