The Kiev Encounter:

The Kiev Encounter Serge G. Mironovitch, 1977 **Encounter**, 1960 **Ukraine and Russia in Their Historical Encounter** Peter J. Potichnyj, 1992 **Eastern Encounters** Michael Wynne-Parker, 2022-08-09 Michael Wynne Parker recalls the people who have graced his life while living and traveling in Russia Ukraine and Estonia in *Eastern Encounters*. The author first visited Estonia to speak at a conference in Tallinn on the subject of conservative values in contemporary society. At the time members of parliament from the United Kingdom viewed Estonia as an independent state recently liberated from the Soviet Union. Underneath the country's facade however the author discovered a seething disharmony. Over the years he's begun to understand the vital implications of that realization. From 2002 to 2013 the author spent most of his time in Tallinn with regular monthly visits to London. As the digital age was dawning he took advantage of being able to conduct his business wherever he was based. Even while traveling his activities as founder and chairman of Introcom International continued to flourish. He also wrote three books which would have been impossible while living in London. Join the author as he celebrates the peace and tranquility of his life abroad while highlighting the numerous people who made his encounters so memorable.

Evacuee Encounters on the Soviet Home Front During the Second World War Natalie Belsky, 2023-12-19 This study is the first to examine the experiences of the millions of Soviet civilians evacuated to the interior of the country during the Second World War in the context of their encounters and relations with local communities and populations across Soviet Central Asia Kazakhstan Siberia and the Urals. The book considers the impact of this episode of massive population displacement across Eurasia on individuals communities and society more broadly. It explores how the challenges associated with wartime displacement gave rise to tensions between evacuees and local residents. These frictions in turn forced individuals to interrogate the meaning terms and limitations of citizenship and belonging in the Soviet Union. Evacuation thus played a critical role in the changing relationship between citizens and the Soviet state in the war and postwar periods. Furthermore this study pays particular attention to the plight of Soviet Jewish evacuees who constitute the largest contingent of Holocaust survivors in Europe and the rise of anti-Semitism on the Soviet home front during the war.
