by stolen energy As their virtual connection deepens into love their physical world hurtles towards chaos The sabotage unfolds as a silent digital war within Helios s core where Elara s unique abilities are pushed to their limits But Anderson anticipates their every move trapping Elara in a digital prison Zephyr must make an impossible choice abandon the woman he loves or risk everything to save her even if it means plunging their world into further darkness In the ensuing chaos loyalties are tested secrets are revealed and the lines between right and wrong blur Elara must confront not only a ruthless corporation but also the legacy of violence that has shaped her life Their final confrontation is not a battle of brute force but a quiet act of defiance that will determine the fate of their fractured world Can two broken wings mend the tapestry of a world ravaged by the silicon wind or will they be swept away by the storm Literary Afterlife Bernard A.
