A Blue Sea of Blood Donald M. Kehn,2009-01-15 On the morning of March 1 1942 the WWI era destroyer USS Edsall under orders to deliver some forty Army Air Force fighter crews to the beleaguered island of Java split off from the USS Whipple and the tanker Pecos and was never seen again by Allied forces Despite the later discovery of bodies identified as Edsall crew members near a remote airfield on the coast of Celebes what happened to the ship remains a matter of mystery and perhaps deliberate obfuscation This book explores the many puzzling facets of the Edsall s disappearance in order to finally tell the full story of the fate of the vessel and her crew Based on exhaustive research of the historical record including newly deciphered Japanese documents and previously unrevealed material from the crew s family members *A Blue Sea of Blood* offers a painstaking reconstruction of the ship s history The book investigates not only the Edsall s mysterious final action but also her wide ranging pre war career and the curious uses to which her story was put generally under false pretenses first by the pre war US Navy and then by the Japanese wartime propaganda machine And finally military historian Donald Kehn considers the circumstances surrounding the curious obscurity of the Edsall s heroic service and final battle in American histories Redressing six decades of official indifference Kehn s account recovers a significant chapter missing from the history of World War II and tells a long overdue story of courage and tragic loss

The Siren and the Deep Blue Sea Kerrelyn Sparks,2020-08-25 Perfect for fans of Christine Feehan s Carpathian series and G A Aiken s *The Blacksmith Queen* New York Times bestselling author Kerrelyn Sparks combines humor action and love in the electrifying new book in her thrilling fantasy series Four sisters have become queens rulers of all that Aerthlan s two moons embrace The last sister will forge her own path Signs and Seals Raised on the magic seeped Isle of Moon Maeve is used to unusual powers and the way they fuel the politics of her world But when she discovers an ability to shape shift at will she knows who she wants to share it with first Brody the enigmatic infuriating shifter spy has always made time for Maeve But it s been almost two months since she s seen him And though no one else believes Brody is in danger Maeve is more than ready to rescue him herself The rumors Brody s investigating are terrifying a secret army of magic users in the service of the cruel

Circle of Five But when he uncovers the identity of one of the Five the mission becomes personal Cursed as a boy by the Sea Witch Brody can spend only two hours a day in his human form a restriction that limits his future and muzzles his heart Plus Maeve teases him for being such a pretty doggy instead of appreciating his manly charms To win his freedom he must take on a terrible disguise And when Maeve finds out she ll unleash a tempest like no other **The Devil and the Deep Blue Sea** Linda Pannozzo,2023-01-03T00:00:00Z In the early 1990s the collapse of the Atlantic groundfish stocks signaled the destruction of life in the seas but it also threw 40 000 people out of work unraveling the very fabric of rural life throughout Atlantic Canada Twenty years later even after fishing moratoriums and limited directed fishing the cod have not recovered and some stocks are on the verge of biological extinction The fishing industry politicians and government scientists blame the growing population of grey seals a species that had up until the 1970s been severely depleted and argue that a large scale cull of the population is needed to save the cod In The Devil and the Deep Blue Sea Linda Pannozzo finds that the truth is much more complex and that the seals are scapegoats for the federal government s mismanagement of the cod stocks deflecting attention away from the effects of global warming and the continued use of destructive fishing methods The collapse of the cod its failure to recover and the recent recommendations for large scale grey seal culls are stark reminders of how fisheries science and public policy are increasingly estranged from each other The Devil and the Deep Blue Sea Amelia Wilde,2021-01-19 A modern day pirate An heiress lost at sea And the treasure of a lifetime He s beautiful Calculating Cruel And he s taken me hostage When pirates board my boyfriend s yacht I jump overboard to save myself Drifting asea Until one man rescues me from the endless ocean Except he has plans of his own I m worth too much money for ransom He ll keep me on his ship and in his bed The real danger lies in his dark depth eyes He wants more from me than money Than passion He wants everything He rescued me but I m far from safe There s an entire sea of danger threatening to drag me under The Devil and the Deep Blue Sea by USA Today bestselling author Amelia Wilde is a dangerously sexy contemporary romance that will blow you out of the water
