The Last Deal:

The Last Fair Deal Going Down David Rhodes, 2010-10-19 This novel from the acclaimed author of *Driftless* is an arresting work about the salvation of a disintegrating Iowa family The New York Times Survival has been the Sledge way since Reuben Sledge's father first moved to Des Moines Yet the family seems cursed and one by one the Sledges are slipping away Reuben's oldest brother is hanged for the murder of his wife Then another brother is committed to an asylum for spying on the woman he loves But it's the rape and disgrace of his beloved sister Nellie that drives Reuben into a deep despair Into the depths of this depression wanders vulnerable delightful Tabor who sets Reuben alive with the promise of her love When Reuben learns that Tabor has descended into the City he determines in a moment of panic to enter and bring her out Thus begins the novel's second act a harrowing journey through the horrors of the City and among a ghastly assemblage of dwellers who've crafted new lives for themselves in the underworld David Rhodes proves that there is still vigorous life in the dark Gothic roots of great American novels The Tennessean The New Deal and the Last Hurrah Bruce M. Stave, 1970-06-15 In studying the effect of New Deal on urban political machines Bruce M Stave challenges the traditional view of declining bossism in America from the 1930s through the 1950s Using Pittsburgh as his case study he demonstrates how political power was transferred from a once invincible Republican machine to the Democratic Party led by David L Lawrence Stave traces the consolidation of patronage control and grassroots voting support with a special emphasis on the interplay between politics and federal work relief during the depression decade Stevens v.
