The Last Obsession:

The Last Obsession Darrin Atkins, 2000-10 He was obsessed with Claire from the day he met her in college Time had no effect on him and four years after graduation his feelings remained unchanged and he continued to think of her every day One morning he left his life in Los Angeles and took off for Alaska hoping to escape his past and overcome his obsession However everything in Alaska from the people to the rain to the work at the salmon cannery brought back all of his memories of her Only a new obsession with a girl strikingly similar to Claire could help him deal with his emotions understand his past and focus on the future He knew that he would always love her and always look for her around the next corner but his obsession with Claire had to end Tictionary Becky Ottinger, 2003 This book is a wonderful and very helpful resource for parents educators and other professionals working with children with Tourette syndrome and its associated disorders It not only defines but also expands upon many terms and issues that these children and subsequently their families deal with on a daily basis Susan Connors Tourette Syndrome Association Inc This unique A Z resource guide is for anyone needing information and common sense strategies as they deal with the neurological disorders of Tourette Syndrome Asperger Syndrome attention deficit hyperactivity disorder and obsessive compulsive disorder Written from both a parent and educator s perspective the guide offers insights into the world of the children and families who deal with these disorders through factual information interspersed with both funny and sad stories Helpful handouts and fact sheets ready to be copied with the publisher s permission are customized for the teacher counsellor and other school staff in addition to the family doctor dentist family members and others The Last Good Day Peter Blauner, 2011-03-29 DIVDIV When a decapitated corpse washes up on the banks of the Hudson River a New York suburb is sent into an uproar divDIV divDIV Commuters waiting for the morning train into Manhattan in the small Hudson River town of Riverside are the first to see the body She drifts out of the river naked and headless shocking the onlookers before they board their train to work divDIV divDIV Riverside Police Chief Harold Baltimore can t get away from her so easily A black chief in a white town he s new to his job and not at all sure he s suited to it At first it looks like a routine mob murder but when one of his detectives identifies the corpse as a local woman the news rocks quiet little Riverside and the town won t ever be quiet again divDIV divDIV This ebook features an illustrated biography of Peter Blauner including rare photos and never before seen documents from the author s personal collection div div **The Last Shah** Ray Takeyh, 2021-01-26 The surprising story of Iran s transformation from America s ally in the Middle East into one of its staunchest adversaries An original interpretation that puts Iranian actors where they belong at center stage Michael Doran Wall Street Journal An extraordinary account Deeply nuanced and eloquent Benjamin Weinthal Jerusalem Post Offering a new view of one of America s most important infamously strained and widely misunderstood relationships of the postwar era this book tells the history of America and Iran from the time the last shah Mohammad Reza Pahlavi was placed on the throne in 1941 to the 1979 revolution that brought the present Islamist

government to power This revolution was not as many believe the popular overthrow of a powerful and ruthless puppet of the United States rather it followed decades of corrosion of Iran's political establishment by an autocratic ruler who demanded fealty but lacked the personal strength to make hard decisions and ultimately lost the support of every sector of Iranian society Esteemed Middle East scholar Ray Takeyh provides new interpretations of many key events including the 1953 coup against Prime Minister Mohammad Mossadeq and the rise of Ayatollah Ruhollah Khomeini significantly revising our understanding of America and Iran's complex and difficult history The Last Book Richard Wesley Clough, 2019-08-26 At the beginning of the morning one's life often feels relaxed until the daily drag of life negates even the former birds singing where one is often forced into some other way of living and thinking the way I've done just for the prospect of freedom to ruin the second life after freedom Nevertheless I can still for a short time revel in my deliberations and creations that reflect the incorporation of the lost life the same way a DVD player reflects some intricacies of science to someone as starved and appreciative as we might create a DVD like creativity For this writer who is also the hero my job must show how what one seemingly honored in life but disappeared by the dynamics of life was real So real that others scoffed at my essential feelings defying my relative paltriness in relation to those former illusory illustrious lives facing the end of times the apex where much is lost by everyone's anxiety that even excludes my alchemical process A process created by someone so possessed by his former grandeur he must reconcile his worth by the laws of the reverse and the inverse So we begin my last book the way James Fenimore Cooper couldn't with *The Deerslayer* by using myself as the model for my hero who finds redemption by discovering himself through his living travail and Spartan tenacity A hero whose only redeeming trait is the freedom that he radiates by some mystic connection to the birds singing just before doomsday's eerie rings Serial Obsession Martin Hancock, 2018-11-21 Lawrence Goodman wasn't looking for anything in life except to try to deal with a growing disillusionment with his job Lecturing in Computer Science wasn't what it used to be He was feeling like an empty shell But into the void inside him dropped the Beale Diary One of life's small mistakes that ends up cascading dramatic consequences The diary put a match to the tinder wood of Lawrence's own obsessive mind and life would never be the same again The big mistake was to write a book about it This trilogy follows Goodman as he becomes obsessed with uncovering truths that don't appear in the history books The Last Great American Picture Show Alexander Horwath, Thomas Elsaesser, Noel King, 2004 This publication is a major evaluation of the 1970s American cinema including cult film directors such as Bogdanovich Altman and Peckinpah **Season of Obsession** Joel Spring, 2000-01-01 As the author takes the reader through the landscape of the Catskills in upstate New York a picture of hunting in the finest sense as it ought to be and as it was when you hunted with your Dad and raced alongside your dogs for downed birds *The Last Night* Jabril B. Johnson, 2025-10-31 Some houses remember Some never let you leave A year after the massacre at Blackwood House Malik Carter wakes to a message that shatters his fragile peace You were supposed to die that night Attached is a grainy video of himself inside the

house motionless as screams echo in the background He doesn't remember it He's not sure he wants to When the other survivors receive the same message their shared nightmares turn real again Together they return to the decaying mansion that destroyed their lives desperate for answers about what really happened that night and what still haunts them now But Blackwood House is waiting Its halls twist on their own Its walls breathe And its darkness remembers every secret they buried The deeper they dig the more they realize the house is not a ruin It's a hunger And it wants them back *The Last Night* is a psychological horror novel that blends mystery memory and madness For fans of *The Haunting of Hill House* *Hereditary* and *The Silent Patient* this chilling story explores trauma time and the terrifying truth that some nightmares don't end when you wake up

The Last Division Ann Tusa, 2018-11-13 A brilliant paper chase an excellent book Library Journal JFK Khrushchev Reagan and a city divided Berlin has played a major role in world politics since the Nazi era and continues to be in the spotlight today as the once again great capital of Germany Ann Tusa presents an engaging chronicle of the Cold War partitions of this historic city from the political strife and administrative division by the victors against Hitler through the building and eventual destruction of the Wall Using newly available documents she offers by far the fullest account to date of the political diplomatic and military affairs of the city with vivid characterizations of central figures like Konrad Adenauer Nikita Khrushchev and British Prime Minister Harold Macmillan Tusa's account also displays the full drama surrounding the building of the Wall from its ramifications for world politics including John F Kennedy's famous response that a wall is a hell of a lot better than a war and Ronald Reagan's iconic Mr Gorbachev tear down this wall to the experiences of ordinary Berliners and the personal tragedies they experienced as the Wall severed a living city and sundered families for generations The result is a startling combination of historical detail and lucid style a story that *The Sunday Times* of London has hailed as not only painstakingly researched but eminently readable
