

The background of the cover is a photograph of a vast, open landscape. In the foreground, a stone path made of flat, grey stones leads from the bottom center towards the middle ground. The path is flanked by tall, golden-brown grasses and some green shrubs. The middle ground consists of rolling hills covered in a mix of green and yellow vegetation. In the far distance, a range of blue mountains is visible under a clear, light blue sky. The overall atmosphere is peaceful and natural.

Supernatural Pennines

William Thomas Palmer

Supernatural Pennines:

Supernature Pennines Jenny Randles, 2002 Since ancient times the moors and valleys within the Pennine hills have been fertile ground for strange phenomena Supernatural Pennines relates over 100 of these inexplicable case histories which have come to light through regional surveys and in depth examinations We learn of the stretch of the Yorkshire Lancashire border which has a record number of claims of alien abduction and where odd lights in the sky are so frequently observed that it is known as UFO Alley There are cases of poltergeist inducing rain humming noises emerging from the ground big cats roaming ghost like through the peaks ice bombs raining on houses from clear skies mysterious burns to the skin the extinguishing of street lights and even flying dinosaurs

Supernatural Isle of Man Jenny Randles, 2003 The ancient kingdom of Mann has many unique charms from its steam trains and horse trams to the world's oldest unbroken parliamentary democracy However the island is also home to a rich gathering of legends and present day mysteries Where else in modern times would you find a UFO crash on a mountain top alongside precautions to ensure that the present British monarch paid homage to strange beings that live under a bridge This book brings you the adventures of the fenoderee who created the world's first crop circles It talks about the fearsome moddey dhoo that terrified castle guards plus dozens of other amazing cases including the most bizarre twentieth century poltergeist story on record Even the island's creation myth is steeped in the supernatural Whether following these weird tales from the comfort of your armchair or using the book's visitor friendly features on an actual trip you will find that wonder and mystery are alive and well just 60 miles off the British shores

Supernatural Isle of Man is the most informative and up to date account of this magical island Paranormal Encounters on Britain's Roads Peter A. McCue, 2018-02-19 In this detailed book Dr Peter McCue reflects on the enormous range of paranormal phenomena to have been reported along Britain's roads and examines the theory that certain areas seem to be hotspots for such occurrences such as the A75 and B721 roads in southern Scotland and the Blue Bell Hill area in Kent He delves into the sightings of apparitional vehicles encounters with colliding apparitions phantom hitch hikers out of place big cats phantom black dogs UFOs missing time strange memory gaps vehicle interferences such as mysterious breakdowns and incidents in which drivers and passengers seem to have been translocated in space or time This thorough book debates the evidence and theories in a critical but open minded way and is a welcome addition to the genre **Britain's Paranormal**

Forests Peter A. McCue, 2019-10-07 Peter A McCue examines intriguing reports of people experiencing uncanny events in Britain's woods and forests from mysterious lights and strange animal encounters to ghostly experiences Much of the reported witness testimony was obtained first hand by McCue or other researchers While he draws sceptical conclusions about some of the alleged incidents he takes others seriously and considers possible explanations Fully illustrated and written in McCue's inimitable style Britain's Paranormal Forests will make you think again about your next walk in the woods

Light and Dark Trevor J. Hawkeswood, 2013 Trevor J Hawkeswood is a scientist who has experienced hundreds of

paranormal events in his lifetime In Light and Dark he recounts some of these incredible interactions He believes that reality occurs on two separate but interwoven planes of existence the Earth plane and the multiple levels of the spiritual planes including the lower levels from where the dark souls of humans who have died reach out to us He has experienced more than one hundred sightings of the shadow people or black ghosts He credits guardian angels with saving him from harm or certain death on a number of occasions Hawkeswood also shares accounts of his numerous sightings of strange aerial phenomena he believes were caused by UFOs He has personally experienced clairaudience voices from beyond and precognition or the ability to see the future His detailed account of a unique out of body experience OOB challenges what is known about this remarkable ability His OOB was unlike anything that has ever been described by others who have experienced it and he shares it all in Light and Dark But it hasn't all been safe or pleasant At eighteen he survived a terrifying encounter with a demon gargoyle who tried to steal his soul energy after paralysing him A comprehensive handbook for the paranormal enthusiast Hawkeswood's work also provides a glossary and reference list of English language UFO books In Light and Dark he shares a lifetime of experiences ideas and theories about this fascinating field of study

The North Pennines from Prehistory to Present Paul Frodsham, Martin Green, Greg Finch, 2024-11-14 The first comprehensive survey of the

archaeology of the North Pennines from Mesolithic to modern times Traces of 10 000 years of human activity survive today including flint scatters at Mesolithic campsites earthworks of prehistoric and later settlements and field systems and extensive remnants of the post medieval miner farmer landscape

Hair of the Alien Bill Chalker, 2005-08-19 The shocking true story of a case unlike any other in the annals of UFO investigation DNA research or alien abduction July 23 1992 In Sydney Australia twenty eight year old Peter Khoury was awoken by what appeared to be two females both striking and unearthly kneeling on his bed What transpired between them was a physical assault as bizarre and disorienting as it was unnatural Then as quickly as they had arrived they vanished Khoury had become one of a legion of alien abductees with inexplicable experiences but this particular incident stood apart from all the others This time there was evidence two strands of white blond hair from one of the females Khoury's case would result in the very first forensic DNA analysis of alien abduction evidence and revealed an extraordinary biological anomaly one genetically close to human yet almost impossibly far from the human mainstream A gripping account of one of the great mysteries of our time Hair of the Alien brings us closer than ever before to understanding our past our origins and our place in the universe

South Yorkshire Folk Tales Simon Heywood, Damien Barker, 2015-10-05 With origins lost in the mists of time these lively folk tales reflect the wisdom and eccentricities of South Yorkshire's county and people Amongst the heroes and villains giants and fairies knights and highwaymen are well known figures such as Robin Hood and the Dragon of Wantley as well as lesser known tales of mysterious goings on at Firbeck Hall and Roche Abbey These enchanting tales many never before recorded in print will bewitch readers and storytellers young and old alike

The Alien Book Nick Redfern, 2019-09-01 Unmasking the mysteries

of alien life on earth Make mention of the word alien and it conjures images of black eyed large headed dwarfish beings that have come to be known as the Greys Indeed Greys have become a staple part of pop culture never mind just the field of UFO research They ve appeared in Steven Spielberg s classic 1977 movie Close Encounters of the Third Kind They regularly popped up in The X Files And of course there are numerous people all across the world who claim to have been abducted by the Greys and subjected to intrusive medical experiments Yet before the 1950s the Greys were nowhere in sight The Alien Book A Guide to Extraterrestrial Beings on Earth shows that extraterrestrial life comes in all kinds appearances sizes and bodies They all have one thing in common however the human race has encountered them and we continue to do so today Not just dozens or even hundreds but thousands of eyewitness experiences have been reported Covering hundreds of extraterrestrial life forms in more than 40 thematic chapters this absorbing look at the mysteries of aliens on earth includes the Space Brothers long haired very human looking ETs the fiendish Reptilians seven to eight foot tall predatory shapeshifters Men in Black beings extremely pale skinned tall and with huge eyes Black eyed Children anemic looking kids with solid black eyes that might be ET human hybrids Bigfoot the werewolf like Dogmen jellyfish style aliens that soar around the skies of our world the Shadow People dangerous humanoids that terrorize people legendary Nephilim space vampires insect like aliens that resemble a giant praying mantis and many many more The Alien Book investigates the full range of sentient alien life forms Some are benign and others downright deadly Some are small like a germ or virus that has NASA creating guidelines to deal with an outbreak of an extraterrestrial germ Some are big like a giant praying mantis or the biblical Goliath They all lurk on Earth and in this chilling book With more than 120 photos and graphics this tome is richly illustrated Its helpful bibliography and extensive index add to its usefulness

[Hellstorm: Paranormal & Supernatural Horror Story with Scary Ghosts](#) David Longhorn, Scare Street, 2018-01-19 Ghastly children haunt the dark walls of Weymouth Cathedral in a final battle that threatens to open the floodgates of hell The residents of Weymouth are on edge and bone chilling fear has flooded the picturesque town Mysterious deaths are on the rise and local law enforcement is at a loss to explain the streams of blood pulsing through the streets Erin Cale and Louise Tarrant are sure that they are coming closer to unlocking the looming cathedral s catacomb of secrets but they are thwarted by Ithuriel s many defenders both mortal and mythical Meanwhile the mournful and foreboding cries of the trapped children linger into the nighttime air and Erin knows that they bear the key to ending the cathedral s curse once and for all But their inability to share their secrets has thrown a wrench into Erin s plans to save the town As they strive to beat Ithuriel at his own devilish game the gaping mouth of hell has opened threatening to destroy everything they hold dear Step into the eerie world of Scare Street where supernatural horror and suspense await you at every turn Our collection of ghost stories urban legends and haunted house stories offer the perfect mix of scary and spooky tales Whether it s a creepy campfire classic short horror stories or unsettling creepypasta our tales are crafted to bring thrills and chills that will keep you hooked

The Haunting of

Newcastle Keep: Otherworld North East Research Society Tony Liddell, 2010-03-31 The Haunting of Newcastle Keep is Volume I of the Otherworld North East Research Society's Investigation Series. The back cover content reads thus: Welcome to a glimpse of Newcastle upon Tyne's haunted heritage. Once you've read the book, why not visit the ancient halls and corridors of Castle Keep for yourself. Keep your eyes, ears, and wits alert; you might not be alone. The Otherworld North East Research Society has undertaken research into the alleged paranormal activity in the ancient fortification since August 2003, and this book contains reports on physical phenomena, environmental anomalies, strange disembodied footsteps and voices, as well as some persuasive photographic evidence. So is Newcastle's medieval keep really haunted? This book allows you to make that decision based on facts and observation rather than media hype.

First Light Erica Wagner, 2016-05-05 Described by Philip Pullman as the most important British writer of fantasy since Tolkien, Alan Garner has been enrapturing readers with works like *The Weirdstone of Brisingamen*, *The Owl Service*, *Red Shift*, and *The Stone Book Quartet* for more than half a century. Now a group of the writers and artists he has inspired over the years have come together to celebrate his life and work in *First Light*. This anthology includes original contributions from David Almond, Margaret Atwood, John Burnside, Susan Cooper, Helen Dunmore, Stephen Fry, Neil Gaiman, Elizabeth Garner, Paul Kingsnorth, Katherine Langrish, Helen Macdonald, Robert Macfarlane, Gregory Maguire, Neel Mukherjee, Philip Pullman, Ali Smith, Elizabeth Wein, Michael Wood, and many many more. Whether a literary essay, a personal response to Garner's writing, or a story about the man himself, each piece is a tribute to his remarkable impact. Edited by the acclaimed journalist and novelist Erica Wagner, *First Light* will touch the heart of anyone who grew up reading Alan Garner.

Wanderings in the Pennines William Thomas Palmer, 1951

Doubt Geoffrey Beattie, 2022-11-29 Blending the latest academic research with case studies of famous figures, this highly insightful book presents doubt as a central concept for psychology. It is a concept which has been oddly neglected in the past despite its ubiquitous nature and far-reaching influence. Exploring everything from self-doubt and impostor syndrome to the weaponisation of doubt with respect to climate change and the marketing of cigarettes, bestselling author Geoffrey Beattie navigates readers through the various ways doubt can start and develop, changing the individual in the process. Written in Beattie's distinctive and engaging style, *Doubt* takes the reader into the lives of transformational thinkers, artists, scientists, and writers to explore how and why doubt was crucial in their lives and how the likes of Kafka, Jung, Picasso, and Turing succumbed to doubt or learned to control it. Beattie argues that doubt is central to the self; it can be either a safeguarding mechanism or a distraction, rational or irrational, systematic or random, healthy or pathological, productive or non-productive. The book helps readers to recognise how doubt may have been operating in their own lives and to identify how and when it has been used against us, for example to prevent climate action and at what personal and societal cost. Presenting a compelling case for why doubt cannot be ignored, this book is of major

interest to academics from a wide range of disciplines including social and cognitive psychology clinical and counselling psychology sport psychology sociology business studies politics art and literature as well as the general public who may well see something of themselves in its pages

The Idea of North Peter Davidson, 2005-04-15 While a compass might tell us which direction we are going there is really only one direction to which it ever points north North is the ultimate point of orientation but it is also a celebrated destination for the adventurous the curious the solitary and the foolhardy In this fascinating book updated in this accessible pocket edition Peter Davidson explores the concept of north through its many manifestations in painting legend and literature Arctic bound Davidson takes the reader on a journey from the heart of society to the most far flung outposts of human geography packing in our rucksacks a treasure trove of stories and artworks from the Icelandic Sagas to Nabokov's snowy kingdom of Zembla from Hans Christian Andersen's forbidding Snow Queen to the works of artists such as Eric Ravilious Ian Hamilton Finlay and Andy Goldsworthy He celebrates the different ways our artists and writers have illuminated our relationship with the earth's most dangerous and austere terrain Through Davidson's astonishing but inviting erudition we ultimately come to see north as a permanent goal frozen forever on a horizon we never seem to quite reach

The British National Bibliography Arthur James Wells, 2009 [Folklore of Yorkshire](#) Kai Roberts, 2013-04-01 The beautiful county of Yorkshire is the largest in England and yet still possesses a strong and cohesive regional identity Built on centuries of shared tradition a characteristic body of folklore has thrived and endured well into the present day Folklore of Yorkshire chronicles such beliefs throughout the whole county identifying distinctive common themes placing them in their historical context and considering their social and psychological function You'll discover Yorkshire's holy wells and buried treasure its boggarts Black Dogs and fairies and the legends behind the county's stunning landscape This fully illustrated book shows how the customs of the past have influenced the ways of today whilst also revealing something about the nature of folklore itself both for the tradition bearers and those who collect it

The English Civil War Charles J Esdaile, 2024-08-30 Cavaliers and Roundheads are figures who appear in hundreds of English ghost stories In this innovative account Charles Esdaile argues that such tales are in reality folk memories of an episode of English history that was second only to the Black Death in terms of individual and collective suffering alike and further that they reveal important truths about the way in which the conflict was represented it is no surprise then to find that spectral Cavaliers are often romantic figures and revenant Roundheads grim ones full of menace Yet the book is no mere catalogue On the contrary rather than being discussed in a vacuum the tales of haunting are rather set within a detailed regional history of the conflicts of 1642-1651 of a sort that has never yet been attempted but is for all that badly needed

Supernatural Pennines Introduction

In today's digital age, the availability of Supernatural Pennines books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Supernatural Pennines books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Supernatural Pennines books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Supernatural Pennines versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Supernatural Pennines books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Supernatural Pennines books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Supernatural Pennines books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Supernatural Pennines books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Supernatural Pennines books and manuals for download and embark on your journey of knowledge?
