Superstars Of The Sports World:

SportsWorld Robert Lipsyte, 2018-06-01 Tough and witty SportsWorld is a well known commentator's overview of the most significant form of mass culture in America sports. It's a sweaty Oz that has grown in a century from a crucible for character to a complex of capitalism a place where young people can find both self fulfillment and cruel exploitation where families can huddle in a sanctuary of entertainment and be force fed values and where cities and countries can be pillaged by greedy team owners and their paid for politicians. But this book is not just a screed it's a guided visit with such heroes of sports as Muhammad Ali, Billie Jean King, Kareem Abdul Jabbar and Joe Namath who the author knew well and with some he met in passing like Richard Nixon who seemed never to have gotten over missing the cut in college varsity football a major mark of manhood. We see how SportsWorld sensibilities help elect our politicians judge our children fight our wars and oppress our minorities. And now featuring a new introduction by the author SportsWorld is a book that will provide the foundation for understanding today's world of sports and the time of Trump. In the America of 2017 where the SuperBowl is worth billions athletes are penalized or forced out of sports for political and anti racist activism and Title IX is constantly questioned and undermined Robert Lipsyte's 1975 critique remains startlingly and intensely relevant. *Behind the Yoi* Dan Joseph, Elizabeth Cope, 2024-09 Myron Cope was the color commentator for Pittsburgh Steelers radio broadcasts from 1970 to 2005 the second longest serving team broadcaster in NFL history. At the peak of his popularity an estimated 50 percent of Steeler fans turned down the volume on their TVs so they could listen to the radio as Cope in his one of a kind scratchy raspy voice barked out phrases like Yoi and Okle dokle often fueled by bursts of excitability and his own beautiful brand of homerism. About his voice Cope said Mine isn't a broadcaster's voice it tends to cut through concrete. Cope helped forge the unbreakable bond between the city of Pittsburgh and its football team. His evening talk show one of the first sports talk programs in the nation dominated its time slot for more than twenty years and he became the first pro football announcer elected to the National Radio Hall of Fame. Born in Pittsburgh to parents of Lithuanian Jewish ancestry Cope attended the University of Pittsburgh and became a journalist. Though he forged a successful career writing for magazines like Sports Illustrated football fans grew to know Cope far more through the airwaves. Co namer of the Immaculate Reception he also created the Terrible Towel the flag of Steelers Nation when in 1975 he urged fans to bring gold towels to wave at a playoff game against the Baltimore Colts. Behind the scenes the Terrible Towel took on a deeper personal meaning as Cope eventually assigned all royalties from the towels to the facility where his son who was born with brain damage and never learned to speak still resides. Throughout his life Cope who passed away in 2008 raised hundreds of thousands of dollars for children with disabilities. Using Cope's own papers correspondence and tapes plus interviews with friends and family Dan Joseph and Elizabeth Cope Myron's daughter paint the first three dimensional portrait of the creative many faceted man whom Pittsburghers still hold in high esteem and close to their hearts. *Black Camelot* William L. Van Deburg, 2008-04-15

African Americans and Popular Culture, Todd Boyd, 2008-10-30. The African American influence on popular culture is among the most sweeping and lasting this country has seen. Despite a history of institutionalized racism, black artists, entertainers, and entrepreneurs have had enormous impact on American popular culture. Pioneers such as Oscar Micheaux, Paul Robeson, Satchel Paige, Josh Gibson, Langston Hughes, Bill Bojangles Robinson, and Bessie Smith paved the way for Jackie Robinson, Nina Simone, James Baldwin, Bill Russell, Muhammad Ali, Sidney Poitier, and Bill Cosby, who in turn opened the door for Spike Lee, Dave Chappelle, Dr. Dre, Jay-Z, Tiger Woods, and Michael Jordan. Today, hip hop is the most powerful element of youth culture; white teenagers outnumber blacks as purchasers of rap music; black-themed movies are regularly successful at the box office; and black writers have been anthologized and canonized right alongside white ones. Though there are still many more miles to travel and much to overcome, this three-volume set considers the multifaceted influence of African Americans on popular culture.

and sheds new light on the ways in which African American culture has come to be a fundamental and lasting part of America itself To articulate the momentous impact African American popular culture has had upon the fabric of American society these three volumes provide analyses from academics and experts across the country They provide the most reliable accurate up to date and comprehensive treatment of key topics works and themes in African American popular culture for a new generation of readers The scope of the project is vast including popular historical movements like the Harlem Renaissance the legacy of African American comedy African Americans and the Olympics African Americans and rock n roll more contemporary articulations such as hip hop culture and black urban cinema and much more One goal of the project is to recuperate histories that have been perhaps forgotten or obscured to mainstream audiences and to demonstrate how African Americans are not only integral to American culture but how they have always been purveyors of popular culture
