questions A NEW JESUS releases these original teachings of Jesus from the grasp of doctrinal and legendary religious tradition A powerful and proven method called intuitive inquiry distinct from the usual intellectual means for generating knowledge is utilized for this purpose It relies upon the skill of an expert intuitive Kevin Ryerson in this book whose past record for obtaining both lost and entirely new information has been outstanding In this book you will find perceptive answers to the main mysteries about Jesus life and teachings and the basic spiritual questions about man s origin identity and purpose It clears up several gaps distortions and contradictions in the New Testament Gospels and closes with a modern restatement of Jesus spiritual philosophy It also describes how to apply this new knowledge to enhance your personal understanding and daily life The Color Complex (Revised) Kathy Russell,Midge Wilson, Ph.D.,Ronald Hall,2013-01-08 A provocative exploration of how Western standards of beauty are influencing cultures across the globe and impacting personal professional romantic and familial relationships Processes like skin lightening in India hair smoothing in Black America eyelid reconstruction in China and plastic surgery worldwide continue to rise in popularity for men and women facing discrimination from both within and outside of their own increasingly fluid ethnic groups Now including a wealth of new information since the first edition of The Color Complex over two decades ago the authors through a historical and sociological lens have measured the impact of recent pop culture events effecting race relations to determine whether colorism has gotten better or worse over time **Singing - Body and Soul** Barbara J. Simon,2013-11-04 Singing Body and Soul is for the young singer to help you discover how your voice body and mind work together There are great books about the links between science and music but most are written for adults with strong music backgrounds and college degrees Young singers need a streamlined version so your voice can express your inner life right now The voice has the most exciting sound when a singer is between 20 to 25 years old Thats when desire starts to ride on the sound and helps you stand out at an audition By then you already need years of singing experience to make the most of your opportunities That means learning about your voice early at 14 years old or younger Singing Body and Soul offers new guidance for developing your singing It includes artistic and scientific descriptions and uses song lyrics to illustrate states of mind Musical Theater plots characters and songs fill the book so the text is more storytelling than classroom lecture With quotes and references from Charlie Brown Albert Einstein and Dr Seuss Singing Body and Soul can help you understand your voice in new ways and make the world hear what you have to say **Torch Singing** Stacy Holman Jones,2007-07-08 In this innovative book Stacy Holman Jones presents torch singing as a much more complicated phenomenon than the familiar trope of a woman lamenting her victimhood With an ethnographer s eye she observes the bluesy torch singers asking if they are possibly performing critiques of the very lyrics they sing From this perspective we see the singer giving expression not not only to desire but also to an incipient determination to resist and change Holman Jones also reveals points of contact in the opposition between spectators and performers emotion and intellect and love and power Instead of interpreting the expression of love as a

woman's violent mistake as willing deception and passive fate Holman Jones allows us to hear an active search for hope
