Superstition Of Divorce 1920:

The Superstition of Divorce (1920). By: Gilbert Keith Chesterton G. K. Chesterton, 2017-01-11 The earlier part of this book appeared in the form of five articles which came out in the New Witness at the crisis of the recent controversy in the Press on the subject of divorce Crude and sketchy as they confessedly were they had a certain rude plan of their own which I find it very difficult to recast even in order to expand I have therefore decided to reprint the original articles as they stood save for a few introductory words and then at the risk of repetition to add a few further chapters explaining more fully any conceptions that may seem to have been too crudely assumed or dismissed I have set forth the original matter as it appeared under a general heading without dividing it into chapters Gilbert Keith Chesterton KC SG 29 May 1874 14 June 1936 better known as G K Chesterton was an English writer poet philosopher dramatist journalist orator lay theologian biographer and literary and art critic Chesterton is often referred to as the prince of paradox Time magazine has observed of his writing style Whenever possible Chesterton made his points with popular sayings proverbs allegories first carefully turning them inside out Chesterton is well known for his fictional priest detective Father Brown and for his reasoned apologetics Even some of those who disagree with him have recognised the wide appeal of such works as Orthodoxy and The Everlasting Man Chesterton as a political thinker cast aspersions on both Progressivism and Conservatism saying The whole modern world has divided itself into Conservatives and Progressives The business of Progressives is to go on making mistakes The business of the Conservatives is to prevent the mistakes from being corrected Chesterton routinely referred to himself as an orthodox Christian and came to identify this position more and more with Catholicism eventually converting to Catholicism from High Church Anglicanism George Bernard Shaw Chesterton s friendly enemy according to Time said of him He was a man of colossal genius Biographers have identified him as a successor to such Victorian authors as Matthew Arnold Thomas Carlyle Cardinal John Henry Newman and John Ruskin The Superstition of Divorce G. Chesterton, 2017-11-26 The Superstition of Divorce is the 1920 work of G K Chesterton on the topic of divorce In it he expands on the topic of divorce and how it is related to the Catholic concept of marriage He discussed its social implications and how it is a symptom of a greater divorce from Christian principles Odin s Library Classics is dedicated to bringing the world the best of humankind s literature from throughout the ages Carefully selected each work is unabridged from classic works of fiction nonfiction poetry or drama

The Superstition of Divorce G. K. Chesterton, 2023-08-23 **The Apostle of Common Sense** Dale Ahlquist, 2009-09-03 G K Chesterton was one of the most well known and beloved writers of his time Yet he has been strangely neglected today This book is the perfect introduction to Chesterton Ahlquist is an able guide who takes the reader through twelve of Chesterton s most important books as well as the famous Father Brown stories One of the problems with approaching Chesterton is that he was so prolific that the reader is simply overwhelmed But Ahlquist makes the literary giant accessible highlighting Chesterton s amazing reach keen insight and marvelous wit Each chapter is liberally spiced with

Edward Joseph O'Brien, 1926 *The Roots of the World* Duncan B. Reyburn, 2025-02-24 During his career the metaphysically minded journalist G K Chesterton 1874 1936 made a number of remarkable predictions about the future many of which have come true He had no science of history or theory of progress and he vehemently denied that what he was foretelling was inevitable in any way Yet he was still able to imagine with impressive clarity so much of what has come to pass This raises an obvious question How was Chesterton able to be so prescient In this book Duncan Reyburn offers an answer by arguing that Chesterton s gift for prophecy resulted from his unique awareness of formal causation which differs from the typical modern focus on efficient causes and effects To understand Chesterton s attunement to the formal cause his work is refracted through the lenses provided by four thinkers Plato Aristotle Marshall McLuhan and William Desmond These fit together to create a philosophical theological telescope that we can look through to better see the astonishing world in which we live as well as perhaps some of what might happen next *Book Dealers' Weekly*, 1925 The Collected Works of G.K.
